

Driver's Education for Teens

Nevada law states that students, ages 15 through 18, must complete 30 hours in a driver's education class, plus 50 hours behind the wheel.

TMCC Driver's Education offers in-person and online classes for \$99, fulfilling the 30-hour classroom requirement. Parents are responsible for the 50 hours behind-the-wheel component. Register now at <http://bit.ly/TMCCDriversEd> or call 829-9010.

Online Driver's Education for Teens is available through TMCC. A socially distanced, in-person class will be held at TMCC Meadowood Center, 8 a.m. to 3:30 p.m., March 22 through 25.

The Washoe County School District or the Board of Trustees neither endorses nor sponsors the organization or activity represented in this document. The distribution of this material is provided as a community service.
