Dear North Valleys High School Student and Parent/Guardian:

Thank you for completing the 2021-2022 online registration process in a timely manner. Please ensure that you have updated your emergency contacts and household information in your Infinite Campus Parent Portal. If you have not updated, please do so, it is extremely important so that we have the most up to date records in regards to your student. Enclosed you will find helpful information regarding how to access your schedule and pay any outstanding fees you may have.

Our school is committed to implementing best practices as they relate to student learning and achievement, and your schedule has been created with these practices in mind. Other factors that determine your class schedule include your progress toward graduation, space availability in classes, COVID guidelines, conflicts in the school’s master schedule and/or cancellation of classes due to low student enrollment.

ACCESS FOR A SCHEDULE

You may access your 2021-2022 class schedule through Infinite Campus on Monday, August 2nd, 2021. Infinite Campus can be accessed through the following address:

<https://washoenv.infinitecampus.org/campus/portal/washoe.jsp>

CRITERIA FOR A SCHEDULE CHANGE

The priority for schedule changes is as follows:

- Successful completion of credit via supplemental credit (summer school, correspondence, credit-by-exam, etc.)
- Course failure during the previous Spring semester
- Not progressing toward graduation
- Assessment indicates a need for a different placement
- Error in schedule (scheduled for a class for which you have already earned credit)

Note: Schedule changes will not be made based on teacher preference and schedule changes will not be made during the first week of school.

SCHEDULE CHANGE PROCEDURES

If you meet the prerequisite for a course and your schedule can be changed without compromising your academic requirements, we will do our best to accommodate your request for a schedule change. Classes are extremely full so schedule changes will be difficult; please realize that we may not be able to honor your request. It will take time for your counselor to explore options for changing your schedule.

If you are seeking a change in your schedule, you must contact your counselor by emailing your alpha counselor directly. If needed you can call 321-3274 and schedule an appointment. New students are given priority for appointments. Counselor’s appointment availability will vary from July 29–August 6, 2021. There will be no appointments on August 3rd. Please be patient as this is a very busy time of year. Counselors will return emails within 48 hours.

****No Drop-ins Please****
