2021 SUMMER CAMPS

Below are some of the camps being offered this summer:

[The Discovery Museum](#) - This summer, you can choose from more than 40 themed camps for students entering kindergarten through 7th grade. Camp Discovery's camps begin each day at 9:00am and end at 4:00pm.

[Galena Creek Visitor Center](#) - This summer, experience a portal to the wilder world...explore the Sierras, investigate the Great Basin, and get moving outside with hands-on, adventurous, outdoor exploration camps. Your child will experience, first hand, the beautiful Nevada environment just like the scientists do.

[Sierra Nevada Journeys](#) - Enjoy kayaking on the pond, archery at the range, swimming at the pool, and climbing on the high ropes course while your cabinmates cheer you on! Join your friends for all-camp games, science experiments, nature exploration, and fun-filled competitions that vary each session.

[University of Nevada, Reno](#) - We will be hosting a Virtual Engineering Everywhere, Level 1 camp for 12-14-year-olds and a Virtual Engineering Exploration, Level 2 camp for 15-18-year-olds. These camps are introductions to engineering and include many of our engineering majors. We utilize Zoom, FlipGrid, pre-recorded videos and live interactive sessions for participants.
