## COVID-19 Management from Self-Screening to Exclusion

Do you have COVID-19 symptoms or are you feeling ill?

- ▶ Fever (temperature > 100.4°F at rest)
- ▶ Two or more other symptoms: sore throat, chills, abdominal pain, headache, nasal congestion, fatigue, muscle pain or body aches
- ▶ New/worsening cough or breathing problems
- ▶ Vomiting and/or diarrhea
- ▶ New loss of smell or taste

For other symptoms, visit WCHD online or see WCSD Self-Screening Tool.

Have you had close contact (within 6 feet for more than 15 minutes) with a person who has COVID-19 (positive lab test or clinically diagnosed) when they are contagious (48 hours before symptoms begin through recovery)?

**Daily Procedure**

- ▶ Self-screen daily before going to school/work.
- ▶ Self-monitor your health throughout the day.
- ▶ Wear a face covering at school and in public places.
- ▶ Wash hands frequently with soap and water.
- ▶ Maintain 6 foot distance.
- ▶ Disinfect and clean high-touch areas routinely.
