

6th Grade Supply List

The idea behind the master notebook is simple, but its results can be powerful. Incoming middle school students are often bewildered by their schedules, lockers, and having so many teachers. By defining a master notebook, students benefit because they always have what they need to satisfy most classroom requirements. Parents are spared the expense of purchasing multiple supplies and teachers can be confident that students will have what they need to be successful in school if they have their master notebook in hand.

The master notebook is made up of the following:

- One 2''-3'' zippered binder (this prevents notebooks from exploding when dropped!)
- 5 dividers with pockets in the dividers
- Binder paper (either type) enough for each class on a daily basis – please replenish often or as needed!
- A zippered pouch with the following supplies:
 - Several #2 pencils, replaced throughout the year as needed
 - Erasers
