Your Child's S.H.A.R.E. Dates and Time _____

Dear Parents:

The Washoe County School District, per NRS 389.036, will be presenting the S.H.A.R.E. program. A trained educator provides instruction for S.H.A.R.E. Each 6th grade student will receive three lessons; two lessons are co-educational and one lesson will separate boys and girls.

NRS 389.036 requires written parental approval for your child to participate in the S.H.A.R.E. program.

If you would like to have your child participate in the program, mark "YES" below. If you do not want your child to participate in the program, mark "NO". It should be noted that the daily outline found on the S.H.A.R.E. website only indicates the general topics of the daily lessons and that subsequent lessons will often include previously introduced topics. Since S.H.A.R.E. is designed as a comprehensive program, the District cannot guarantee that information contained in excluded lessons will not be brought up again in other lessons. If your child does not have permission, they are taken to another classroom and given an alternative assignment by their regular classroom teacher.

- **Lesson 1-** Decision Making Skills, Choices and consequences, Role in conflict and decision making, Importance of Goals
- **Lesson 2-** (Separate B/G) Puberty Male/Female Anatomy and Reproduction, Anatomy and Physiology, Abstinence as a Healthy Choice, Contraception
- **Lesson 3-** HIV/AIDS Review and Intro to STI (Sexually Transmitted Infections), Prevention, Decision Making, Personal Responsibility, Safety, Non-sexual ways to express love.
