

Considering Others' Opinions

When making decisions about sex and sexuality, it can be really useful to hear what other people have to say. (Then again, sometimes it's not!) Who would you talk with, and what would you expect them to say?

In the table below, write some of the messages you would expect to hear from these key people in your life. Feel free to write in their names to help you focus on one if you have several people that could fit in the same column. If you don't have one of these categories of people in your life, just leave it blank. You can also add in a category that's not here.

	PARENT/ CAREGIVER	SIBLING	PARTNER/ BF/GF	BEST FRIEND	RELIGIOUS/ FAITH LEADER	TRUSTED ADULT
1. Whether you should ask out or go out with someone you've liked for a long time						
2. Whether you're ready to have sex						
3. Which types of safer sex or contraceptive methods to use						
4. Whether it's weird that you want to wait to have sex						
5. What you or a partner should do about an unplanned pregnancy						
6. Whether you should get tested for STDs before starting a new relationship
