District Wide Equity and Diversity Focus

- **Personal Equity:** Guides the process of centering one's self in equity and uncovering one's own biases, stereotypes and privileges.
- **Institutional Equity:** Explores how a school system can overcome institutionalized factors that limit student achievement, especially for students of color and those from diverse backgrounds.
- **Professional Equity:** Focuses on how efforts to successfully implement equitably practices can assure individualized support for all students.
- **Moral Equity:** Is a plea to engage honestly and sincerely in this work of educating students equitably, since their future depend upon our own successful efforts as educators.
