

2025 Back-to-School Vaccine Clinics

Presented By:

Community Health Alliance is hosting back-to-school vaccine clinics for students entering kindergarten and older at select Washoe County School District schools.

Free vaccines for uninsured children, while supplies last.

Appointments are given priority, but walk-ins are welcomed on a first-come, first-served basis. To schedule, scan the QR code or visit www.chanevada.org.

August 6 from 2 - 5:30 p.m.	Mendive Middle School
August 7 from 2 - 5:30 p.m.	Hug High School

Wellness Advocates:

Students entering kindergarten and older are eligible for vaccinations at these clinics. For children under four, please call (775) 329-6300 to schedule a wellness check with a Community Health Alliance provider. A parent or legal guardian must be present for the vaccination(s). Health insurance is not required, but if insured, providing your insurance card is necessary. Your cooperation means the difference for uninsured patients.

To become a patient at Community Health Alliance, visit www.chanevada.org or call (775) 329-6300.
