Wednesday, February 5, 2020 at 5:30 P.M. WCSD Administration Building 425 East 9th Street, Board Room, Reno, Nevada 89512

## AGENDA

### 1. OPENING ITEMS

- 1.01 Call to Order 5:30 P.M., WCSD Administration Building, 425 East 9th Street, Board Room, Reno, Nevada 89512
- 1.02 Roll Call
- 1.03 Public Comment Comments from the public are invited at this time on topics not specifically addressed elsewhere in the agenda. A "Citizen's Request to Speak" card should be filled out and submitted to the Recording Secretary before speaking during the Public Comment section. All persons are limited to 3 minutes per item. In accordance with Open Meeting Law and on the advice of legal counsel, the public body is discouraged from discussing and precluded from deliberating and/or acting on items raised by Public Comment which are not already on the agenda. The public body may impose reasonable content-neutral restrictions on public comment such as willfully disruptive comments that are irrelevant, repetitious, slanderous, offensive, inflammatory, irrational, or amounting to personal attacks or interfering with the rights of other speakers. Correspondence or written materials submitted for public comment by the general public shall be attached to the minutes of the meeting.
- 2. **ITEMS FOR DISCUSSION, PRESENTATION AND/OR ACTION** (Public comment: any individual may address the public body concerning any item listed below. A completed "Citizen's Right to Speak" card must be submitted to the public body at the meeting. During the discussion of each item on the agenda, the Chair will invite the individual to come forward to speak. Individuals are limited to three minutes per item.)
  - 2.01 Action to Adopt the Agenda Items on this agenda may be taken out of order; The Public Body may combine two or more agenda items for consideration; and The Public Body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time. (For Possible Action)
  - 2.02 Discussion and Possible Approval of the Minutes from the November 6, 2019 School Naming Committee Meeting (For Possible Action)
  - 2.03 Discussion and Presentation of the results of the November 12, 2019 and December 10, 2019 Board of Trustees meetings regarding Procter Hug High School and the new CTE Academy. (For Discussion Only)
  - 2.04 Discussion and Possible Action to recommend to the Board of Trustees consideration of the following naming options related to the Academy of Arts, Careers, and Technology (located at 380 Edison Way): Keep the school's current name with no changes; rename the school the Debbie Smith Academy of Arts, Careers, and Technology; or rename the school the Dolores Feemster Academy of Arts, Careers, and Technology (For Possible Action)

- 2.05 Discussion and Possible Action to recommend to the Board of Trustees consideration of the following naming options for the new Career and Technology Education (CTE) Academy to be built at the current Procter Hug High School location: Debbie Smith CTE Academy or Dolores Feemster CTE Academy (For Possible Action)
- 2.06 Discussion and Possible Action to create a list of names that will be considered by the School Naming Committee as automatic semi-finalists for future schools from the unused finalists for previous schools: Arrowcreek, Ann Carlson, Debbie Smith, Sessions Wheeler, Michael Landsberry, Sun Valley, Dolores Feemster (For Possible Action)
- 2.07 Discussion and Possible Action on Community Name Submissions For the new elementary school in the Cold Springs Area (see Attachment A to this Agenda for a list of those names), the committee members' individual ranking of those submissions, and the creation of a semi-finalist list of not more than 10 names based on the individual rankings of the committee members to be considered at a future meeting for recommendation to the Board of Trustees (For Possible Action)

### 3. CLOSING ITEMS

- 3.01 Announcement of Next Regular Meeting March 4, 2020 at 5:30 p.m.
- 3.02 Public Comment Comments from the public are invited at this time on topics not specifically addressed elsewhere in the agenda. A "Citizen's Request to Speak" card should be filled out and submitted to the Recording Secretary before speaking during the Public Comment section. All persons are limited to 3 minutes per item. In accordance with Open Meeting Law and on the advice of legal counsel, the public body is discouraged from discussing and precluded from deliberating and/or acting on items raised by Public Comment which are not already on the agenda. The public body may impose reasonable content-neutral restrictions on public comment such as willfully disruptive comments that are irrelevant, repetitious, slanderous, offensive, inflammatory, irrational, or amounting to personal attacks or interfering with the rights of other speakers. Correspondence or written materials submitted for public comment by the general public shall be attached to the minutes of the meeting.
- 3.03 Adjourn Meeting

Forum Restrictions and Orderly Conduct of Business: The School Naming Committee conducts the business of the Washoe County School District during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Members of the public wishing to request supporting materials for this meeting or who are disabled and require special accommodations at the meeting should contact Lisa Scurry, Board Services via email at lascurry@washoeschools.net, in writing at PO Box 30425, Reno, Nevada 89520-3425 or by telephone at 775-789-4621.

People are finally starting to know who AACT is finally. This idea would be financially irresponsible to have to start over with new stationary documents to label the school and accounts that are already set up for purchasing across the board for all programs. All the accounts with college registration would have to change and all placards around the school would be a problem. It	current staff member;family member of current or

No	Neither;	Don't, DFAACT or DSAACT its to many letter and	current student ;
		doesn't roll off the tongue plus AACT is hard enough to	
		say on it own. But more importantly, the people who	
		go to AACT dont want our name changed because it is	
		ours, no matter how much we hate our school that	
		name is part of our identity. We do not know Delores	
		Feemster and Debbie smith and frankly we do not care	
		about them. The board of trustees can not just waltz in	
		here and name our school after people who have	
		literally nothing to do with it. Not to mention	
		rebranding the school will be a tremendous waste of	
		money that could go to much more important things	
		like teachers salary, better technology, financial aid for	
		students who can't pay for lunch and class fees, more	
		textbooks, or even just funding programs that will	
		increase students well being. AACT is a place where i	
		have made some of my best freinds, it's where i show	
		up everyday completely sleep deprived to learn, no	
		matter how much I hate it sometimes this school is the	
		foundation for my future. This school is important to	
		me, and that includes the name, so don't change it. If

No	Neither;	Despite these women s achievements, the name would generally be ignored by people involved at the school because it is unreasonable to rename an already established school since it would undo the legacy of the school (the same way that celebrities don t change their names after getting married). Also rebranding everything at the school would cost a lot of money. 		The community recognizes the acronym AACT,	
		Universities, colleges and trade schools recognize the acronym AACT. Changing it now would be a disservice	
		to current and future students. It is almost certain that	
		this proposed name change would lead to the school

		Many new schools will be built worry about their names. The names suggested have nothing to do with AACT. The students that have graduated from AACT won't have a school that exists anymore. You can't just change a name because you feel like doing so. AACT has enough trouble telling others that they even exist and now the progress that has been made will be extinct with a new name. ### Eightieth Session

I am writing this letter in support of naming a school after Senator Debbie Smith.

I first met Debbie when my oldest daughter started kindergarten 30 years ago. I wanted to help my daughter have the best education, so I joined the PTA. It was through PTA that I met Debbie.

In PTA we had a motto: Every Child – One Voice. She lived this motto her whole life. Debbie taught me that if I wanted to help my own children, I needed to help all kids. With her heart and soul, she served at her local school and then at the regional, state and national levels. She served as President of Nevada PTA and then as National PTA President. Her leadership and example of advocacy for all children has inspired me and many others to be better advocates for education. Eventually she realized that she could enact more change by running for the Nevada Assembly where she was an amazing and very effective legislator. Eventually I followed in her footsteps and served as President of Nevada PTA and as a state legislator.

Debbie was a doer! Whatever she set her mind to she accomplished. She was tireless. She advocated at local school boards, the Nevada Legislature and Washington DC. There wasn't a better person to fight for our kid's education and for our teachers.

When I served as the Majority Leader of the Nevada Senate, Debbie was my Assistant Majority Leader. Debbie was always there to support me and do whatever needed to be done. Debbie also served as President of the National Council of State Legislatures (NCSL). She led with distinction. She was the epitome of a Statesman throughout the country and world.

When I think of why you would want to name a school after anyone, Debbie Smith is the model of whom should receive that honor. You want someone that will inspire the children to be their best. You want someone that inspires teachers and administrators. You want someone that the community looks up to. With Debbie, you get all that and more. Her life was a life of service to others. Whether it was being a wife, mother, grandmother, school board trustee, PTA President, State Legislator, President of NCSL, Debbie always served with all her heart, might, mind and strength. While she served in State and National positions she never forgot where she came from. She always fought for her local community. Funding new schools in Washoe was something she never gave up on.

I realize that you have other very deserving individuals that schools can be named after, but you don't have anyone more deserving than Debbie. You would not have new schools to name if it wasn't for the tireless work that Debbie put forth. If she were here, she would not have sought after this honor.

There is much more to add, but I will end with this. She left a legacy that will always be remembered. The lives she touched and inspired will continue her legacy of changing the world for good. The world is a better place because of Debbie Smith. I am so blessed to have had Debbie Smith in my life.

Sincerely Senator Mo Denis

Dear Mr. Sutton

Thank you for considering Debbie Smith as the name of the new high school in Washoe County.

Debbie, my late mother in law, dedicated her life and career to bettering the education of students in Nevada. Watching her work tirelessly for a better education was a true honor, one that will have a lasting impact on both the state of Nevada, and on Washoe County.

Naming the new school after her would be a true honor to her legacy as an advocate for the students of Washoe County.

Sincerely,

Dear Mr. Sutton

I'm writing in support of naming the new high school in Washoe County after my mother, the late Debbie Smith.

The entirety of my life, from my earliest childhood moments up until her final weeks of life, my mother was working to better the education system in Nevada.

She started the best way she knew how, through the PTA. This grew from the school level, following my sisters and I from Alice Maxwell Elementary, to Sparks Middle School, and Sparks High School. She became the state PTA president, and eventually sat on the National PTA Board.

From this experience she learned the power of parental involvement in the success of students, and was hired by the Washes County School District as the inaugural Parent Coordinator.

In 2000, she was elected to the State Assembly where she would take her passion for education to the biggest stage in the state. She would spend the rest of her career and life in the state capital moving from the Assembly, and eventually to the State Senate, focused on bettering the Nevada public education system.

Her final achievement was the introduction of WC-1, a ballot measure to fund needed repairs and renovations on existing schools, as well as the construction of new schools, including the new high school to be named.

I can't think of a more fitting way to honor her legacy as an advocate for the students of Washoe County than by naming the new school in her name, Debbie Smith.

Sincerely,

Dear Riley Sutton,

Please accept this letter of support for the naming of Debbie Smith High School. Our Firm worked with Senator Debbie Smith for a number of years – she was a remarkable friend, co-worker, and leader. The School Naming Committee has a number of great names to choose from, but no other titles reflect the dedication and incredible spirit of Debbie Smith as much as her name itself does. Debbie was an extraordinary public servant – not only did she maintain an unparalleled commitment to Nevada, she was a constant role model for young women and men across this state. She fought diligently for improved education and funding for new schools. We now have the opportunity to show Debbie's family, friends, and Nevada how much her tireless work to improve the lives of Nevadans was valued by the State. Through the naming of this school, Debbie's legacy will continue to inspire and touch the spirits of countless young lives.

Sincerely,

I am writing to express my support for naming the new High School at Wildcreek after former State Senator Debbie Smith. While in the State Assembly and Senate, Debbie was the driving force behind the sponsoring and passing of Brianna's Law, as well as the sponsored of multiple pieces of legislation to assist schools including the bill that led to the creation of the 2016 ballot question WC-1 which gave Washoe County School District the capital funding for the Wildcreek Project. However her connection to schools goes back much farther than that; Debbie was a member of the Lander County School Board, and was a past president of the Nevada State PTA.

Outside of public service Debbie Smith was a 30 year plus Union Member. She served as a fringe benefits coordinator, so she understood the need and the value of having a good pension and healthcare for working people. She understood the value of being a functional and contributing member of society while working and retired and why these good paying jobs were so important, not only for today but for security tomorrow.

While all of these individuals a listed for consideration are deserving, and we don't want to diminish their accomplishments, without Debbie Smith we wouldn't be holding a meeting and naming a new school. Debbie's commitment to the education of current and future students as well as working men and women should not go unrecognized and her legacy should live on by honoring her with the naming of the new high school.

Regards, Andrew Sloan [Redacted] Sparks, NV 89436 I'm weeping as i write this. I met Debbie when she came to eat at my cafe. She was always accompanied by alert and intelligent people and was always so quick to notice need and to offer her warm and sincere help. My daughter Bianca and I grew fond of her so quickly. We met her family then when she came for mothers day brunch every year.

My enduring impression of her is that while she focused effectively—like a good mom—on so many things, kids and their need for exceptional education was her priority.

Her daughter planned a lovely surprise birthday party for her mom, one friday night at my cafe. It was glorious—Debbie was so well loved by so many people. The following Tuesday she got a diagnosis that was devastating to all of us who loved her. And then she was gone. I cant think an honor she would have deserved and appreciated more than a school named for her. My regret is that the generations of kids who will pass through there will not know how she made every single person she met, feel special. I know though that there will be some magic there, because her spirit still glows bright.

Greetings,

I am writing this letter in support of naming the school in Debbie Smith's honor. She was a dear friend and mentor, a very positive influence in my life. She did everything with love and integrity and worked tirelessly in education. I knew Debbie for nearly 15 years and she left a very significant impact on my life. Debbie was one the kindest people I have ever known. Naming the school in her honor would be a great way to continue to spread her message of love and education for many years to come.

I am writing you today to request your consideration and support in naming the new High School after the late Senator Debbie Smith.

Senator Smith was a tireless advocate for the education of our youth. From serving as Washoe County School District's first parent coordinator to President of the Nevada PTA as well as serving on the National PTA board, Senator Smith showed her dedication to Education in Washoe County and the State of Nevada.

Serving in the Nevada State Legislature, Senator Smith fought for funding for new Nevada schools. She never gave up fighting for funding even as she was fighting a deadly illness.

Washoe County is better off because of Senator Smith's efforts. I ask you to honor her memory by naming the new high school after her.

Thank you.

To whom it may concern:

It's with great pride, and sadness, that I send this letter in support to name the new high school being built at Wildcreek after my Mom, Debbie Smith.

Sad, because if she were alive, I would never be sending this email. My Mom would never ask or see a school named after her; she just did the hard work, not wanting recognition.

Pride, because she accomplished so much for the community, that this is even an option. Without WC-1, this school, and the prior five new schools would not have been built. She worked tirelessly during the last year of her life while she was fighting brain cancer (traveling back and forth from northern Nevada to Houston for treatment) to see this initiative put on the ballot and then helped get it passed.

### We are having conversations about what to name new schools because of her.

Debbie Smith was good. She was true, thoughtful, loving, kind, passionate and worked so hard for all kids to have the opportunity of a great education. All three of her children, including me, are proudly a product of the WCSD system.

Naming a school after her reaffirms the community's pride that we had a leader like my Mom representing our kids.

I strongly urge you to support Debbie Smith High School as the name of the new school at Wildcreek Golf Course.

Thank you for your time, Erin Smith

Regards, Gerri Beitia [Redacted] Elko, NV 89801 Dear Riley,

I wanted to express my support for the Wild Creek School to be named for Debbie Smith. Senator Smith was a tireless advocate for education, children, and those without a voice in Nevada for the entirety of her career. She came into public service through education and fought so hard for public schools and students through her work on the PTA, State Assembly, and Senate. At the state level and local level, her voice is so dearly missed in the conversations around funding for education, accountability, and a quality education for all children. She brought forward numerous pieces of legislation to advance the needs of public education in the state. In her last years of her life she fought to bring WC-1 to reality. The very schools being named were built because of her relentless work. I'm in full support of this school being named for our beloved Senator and think now is the time.

Thank you for your time and consideration.

I believe that the high school should be named in honor of Debbie Smith who made it her life's goal to improve the schools in the state and at the end served the state in congress. For this service the honor should be awarded to Debbie.

### Hi Riley,

As head of the naming committee, please accept this endorsement:

As a staff member on the Nevada Legislature since 2003, I had the opportunity to regularly observe Assemblywoman, later Senator, Debbie Smith as she went about her work. In 2013, I had the privilege of working directly for her when she chaired the Senate Committee on Finance. Few, if any, have done more to advance quality education in Nevada than Debbie. There is no telling how enormous her imprint might have been, had her life not been so tragically cut short. In considering the name for the new high school, please keep in mind it is not enough just to care—one has to translate that into action. Throughout the years, Debbie studied the complex world of the legislative process and was highly proficient in pushing though laws for the betterment of education and the welfare of Nevada's children; all the while maintaining a reputation for integrity that was respected on both sides of the aisle. In honoring the values of character, persistence, decency and cooperation, students attending this new high school could not have a better role model than Debbie Smith.

Dear School Naming Committee,

I will not be able to attend the naming committee meeting to be held on October 2, 2019. Therefore, I would like to voice my support for naming the new Wildcreek High School after Debbie Smith. Senator Smith saved Andru Casado's life after Nevada's stock epinephrine law went into effect. This law continues to protect the children of Nevada while saving lives. This is one example of the many ways Senator Smith impacted the health and well being of Nevada.

Senator Smith's work to protect, educate and support our children is breathtaking.

Please honor and show our children that making a difference matters and that we should continue the good work of Senator Smith by naming the new Wildcreek High School after Debbie Smith.

Respectfully,

Dear Trustees,

I am sending you this message to let you know of my local unions and my overwhelming support in naming the new High School after the late Senator Debbie Smith.

To say that Debbie was a champion of K-12 education would be an understatement. It would take pages to list her personal sacrifices, efforts and legislative accomplishments to that end.

Senator Debbie Smith knew that the most important responsibility that a community has is to train the future.

Washoe County School District School Naming Committee

Dear members of the Washoe County School District School Naming Committee:

It is my honor to write this letter asking you to consider naming a school in honor of Debbie Smith. Debbie devoted her life to improving education and education funding. As a young mom, she volunteered in schools, seeing a need for parental involvement. Not content with that, she became involved in the PTA, eventually becoming the President of the Nevada PTA and joining the national Board of the PTA. She volunteered for legislative committee work. All of this grass roots work inspired her to run for office. I remember Debbie when she was first elected. She was a little shy and a little nervous, but she never wavered on what she hoped to achieve: better opportunities for Nevada's children through educational success. She tackled the interim committee on adequacy of school funding to ensure school districts had what they needed to help our children. She sponsored legislation to give Washoe County the same bonding and funding sources as elsewhere in the State. She battled certain legislators who thought K-12 received enough funding. When she ran into obstacles with any legislators, she came up with another idea – such as her idea to sponsor a local initiative to secure school funding. She was tireless in her zeal to improve our system.

In her very last session, when she was struck ill with cancer, she still went to the legislature when an education funding issue demanded it. That is how much she cared. I can think of no finer example for Washoe County children than to see Debbie's name on their school as she stands for integrity, honesty, and determination. She never remained on the sidelines. When she saw education was not getting the attention or funding it needed, she threw herself in the battlefield known as politics to make sure that those making the decisions actually shared her values and commitment to education. She was such a humble, fierce advocate and an amazing human being.

Sincerely,

Barbara Buckley

Mr. Sutton:

I am writing in support of the Washoe County School District naming on of the two school sites (Proctor Hug High School transition, Wildcreek High School site) in honor of the late Senator Debbie Smith. No Nevadan in recent memory has had the impact on Washoe County and state of Nevada schools as Debbie Smith and no one could be more deserving than Debbie to cement her legacy for years to come.

Debbie devoted her adult life and professional life to Nevada's kids and education. She fought to her last days to insure funding for Washoe Counties schools and children and never wavered in her determination regardless of the obstacles. I hope this process does not turn into a simple popularity contest, that true examination of each candidates contributions are accounted for and Debbie's legacy is memorialized.

Always Be Humble and Kind,

My husband Jim and I have lived on Wedekind Rd for 33 years and knew Debbie Smith. Her tireless work on behalf of education makes her the best possible choice in naming the new High School. Without her sponsorship and work to pass WC-1 this new school would not have been possible. This posthumous honor would make her smile!

Hello there.

Writing this to put in my voice on naming the new high school at Wild Creek ...

#### **Debbie Smith High School**

Debbie Smith was, to me, the "ONE" elected official that:

\*\*\* time and time again, worked for bettering our educational environment

\*\*\* without fail, would respond to calls, letters, emails passionately when contacted by her constituents

\*\*\* wrote and actually got legislation passed which focused on our educational issues

And for the former Hug school location, keep his legacy intact ... ... and if not Hug ... Battle Born.

Thank you for your time.

I can't find the web site with all of the name choices, but I've heard that my first choice, Wild Creek, isn't an option. The second best choice includes the name Debbie Smith. Some of the name choices I heard would be ludicrous to include in a cheer for a sports team.

Please mark my support for the naming of the new school Dolores Feemster.

Thank you!

To Whom It May Concern:

I had the pleasure of working and serving with Debbie Smith in the Nevada Legislature for many years. She was a champion of children, families and the public school system, in particular.

Naming a school after her not only honors her legacy of hard work toward education, but serves as a reminder to anyone who sees Debbie Smith High School that Washoe County had an amazing advocate who was a dedicated public servant.

It's my honor and pleasure to send this recommendation to you.

Sincerely,

#### Dear Washoe County School District School Naming Committee,

I write this letter to express my support to name the new high school at Wildcreek in honor of the late Senator Debbie Smith.

As an alumni of The Coalition to Save Our Schools — the community campaign that advocated for passage of WC-1 — I have great respect for the vision, passion, and commitment that Senator Smith showed to ensure that question reached the ballot. Her spirit was ever present in all of the advocacy, organizing and fundraising so many leaders did to get WC-1 across the finish line. She is the reason we are here to deliberate this choice today.

The fifteen schools that are being built are a fitting swan song for a leader who dedicated their life's work to our children. I encourage the committee to preserve the legacy of a person whose memory serves as an exemplar of public service to all of us — and most importantly for the young people who will benefit from knowing her story.

Should you have any further questions regarding this letter of support, you may reach me at any time via the contact information below.

Yours, in partnership,

Alex Bybee

Dear Washoe County Naming Committee:

I am writing in support of naming your new high school for Debbie Smith. I do not currently live in Washoe County but I am very familiar with Debbie and her consistent push for improved educational opportunities for all of Nevada's children.

Having grown up in a rural area and raising her kids in Sparks, Debbie had a unique perspective on educational needs and the obstacles that impeded the ability to meet those needs. She understood not only buildings and maintenance but also curriculum and support programs. She worked tirelessly to inform her community on what she felt was necessary and finish the projects that were started. Debbie listened, researched and acted. She was honest and good and could work with all kinds of people and opinions.

I knew Debbie both personally and professionally. She was a loyal friend and a great resource and advocate for education. She got things done. She made a difference and is worthy of having a school named for her.

Thank you for your consideration.

Sincerely,

Johna Reeves Retired Teacher/Counselor Battle Mountain High School

Dear Mr. Sutton:

The National Conference of State Legislatures (NCSL) is delighted to encourage the district to name a new Washoe County school after Debbie Smith. The Senator Debbie Smith High School would be a fitting tribute to her legacy of dedication to education, public service and the state of Nevada.

NCSL was incredibly fortunate to have Senator Smith as our president and leader. She was the first Nevada legislator to lead NCSL as president, elected by her legislative peers from around the country in 2014. NCSL is the association of all 50 U.S. state legislatures as well as the territories and the District of Columbia. NCSL is a steadfastly bipartisan organization serving the nation's 7,383 legislators and more than 30,000 legislative staff. Since 1975, NCSL has been the champion of state legislatures and the legislative institution. NCSL helps states remain strong and independent by giving legislators and staff the tools, information and resources they need to craft the best solutions to difficult problems.

While serving as NCSL's leader, Debbie promoted training programs for legislators and staff as one of her key initiatives. She was instrumental in helping NCSL initiate a series of workshops to strengthen the leadership of female lawmakers. Her commitment to bipartisanship and consensus-building in an increasingly polarized environment were reflected in her efforts to reach every lawmaker in every state and engage them with NCSL. Furthermore, she was a champion for federalism and actively guided work on behalf of the states in Washington, D.C.

Debbie had a particularly strong connection with the NCSL staff in Denver and Washington, D.C. She was as dedicated to the success of NCSL as she was to the many, many legislators and staff around the country who worked alongside her. We remember Debbie fondly and miss her very much.

We are grateful to have benefited from her strong organizational leadership and to have witnessed her personal commitment to her values, to her family and to legislative service. Future Washoe County students will be well-served to learn about her career and example of giving back to her community through service and public policy. On behalf of NCSL, thank you for considering the creation of Debbie Smith High School.

Sincerely,

To Members of The School Naming Committee,

I was fortunate to serve with Senator Debbie Smith in the Nevada State Senate from 2012-2016. Her untimely death was devastating and left a difficult void in our legislative body, community, and our state. Debbie was a tireless advocate for children, teachers and improving Nevada' Public Education. Children suffering from respiratory challenges now have EpiPen's because Debbie worked to ensure we passed a law acknowledging the need to have them in schools. She also worked to get additional funding to build, renovate, or expand schools in Washoe County and several rural areas frequently overlooked during budget discussions. Debbie carried that passion through her tenure in Legislative leadership, state and national organizations, and eventually President of the National Conference of State Legislators (NCSL).

Senator Debbie Smith's selflessness, wisdom, and unflinching resolve to improve all aspects of our educational system is the paragon for all public servants. Her legacy is unparalleled now and for several eons in the future. I believe it is very important to name this school for someone who worked until her last breath to ensure children, parents, administrators, and educators had the tools and support system to achieve success. Future generations MUST know about Senator Debbie

Smith a dedicated, Mother, Wife, Friend, and Legislator. It was my great honor to serve with her and I am extremely honored to submit this letter of support to name the school in her honor.

Dr. Kristin McNeill Interim Superintendent Washoe County School District 425 E. Ninth Street Reno, NV 89512

Dear Dr. McNeill:

I am truly honored to write a letter of recommendation for a high school to be named after Nevada State Senator Debbie Smith. I have known and worked with Senator Smith from the time she served in the Nevada State Assembly and then in the Nevada State Senate. She was one of the most intelligent, articulate, accomplished, and professional women with whom I have ever associated.

While serving together, we worked on so many education policy and funding issues, as well as others that affected residents and businesses across the state of Nevada. Her work ethic, assistance, and professionalism were always at the forefront of her work. She was truly one of the Nevada Legislature's most outstanding members. I can assure you that other legislators, as well as myself, first looked to Senator Smith, when we needed advice or answers to issues facing our state. More importantly, Senator Smith was a role model for the students of Washoe County.

Nevada and education lost a wonderful and passionate friend with the passing of Senator Smith. She was a mentor to me during the 2013 legislative session, as she chaired the Senate Finance Committee, and I served as a member. It was my distinct and heartfelt honor to follow in her footsteps in that position. I do hope I made her proud with our work, after she left us.

In conclusion, I encourage you to consider naming a high school after Senator Debbie Smith. I know of no one who is more worthy of this honor, for all of the work she accomplished as a parent, community member, and Nevada State Assemblywoman and Senator. If you have questions or need further information, please feel free to contact me at joyce.woodhouse@sen.state.nv.us or via telephone at 702-498-8302 (cell).

Senator Debbie Smith is truly a "jewel' and an inspirational individual. She relished challenges and finding new opportunities and experiences for students, parents, teachers, and administrators across Nevada. I believe a school named after her will be a fitting testament to her legacy. I am so honored to call her my friend.

Sincerely,

Jayre Lwoodhause

Dear School Board:

Dolores Feemster served this community for nine decades, much more than half of that at Hug High School.

Her decades-long tenure did not end when she retired. When Hug administrators confronted an especially thorny problem or a troubled student, their reaction was very often "call Dolores."

Her little house down Sutro Street from the school became a community center for northeast Reno. Her door was seldom locked. My daughter went to her home often for fellowship and counsel. As a young African growing up in Reno Mrs. Feemster know just what to say to little Africa American girl who did not feel pretty enough or worthy enough to apply for different positions at school. Mrs Feemstr told the girls they could do anything that wants to, The main thing was to stay in school and get good grades.

Mrs Feemster often fed my daughter along with other young people who wanted to hang out at her house. She was a shelter for kids who if had no where to go and would be on the streets.

With all due respect to all the other eminently qualified names before you, no one stands at Mrs. Feemster's level where Hug High is involved.

You may reward the example of her lifetime of service by re-naming Hug in her honor while transferring Procter Hug's name to the new location.

When Mrs. Feemster died last year, only the Reno-Sparks Convention Center had the capacity for her memorial service. About 2,000 attended, including former Hug and NFL star JoJo Townsell, who led the many Hug alumni present in the Hug Fight Song in Mrs. Feemster's honor. That continuity deserves respect.

Mrs Feemster was honored as our Legend Roast on March 2018. Please see the attached proclamation about her.

Your consideration is appreciated.

Please submit this to the school naming committee on my behalf.

#### DEAR COMMITTEE:

Dolores Feemster served this community for nine decades, much more than half of that at Hug High School.

Her decades-long tenure did not end when she retired. When Hug administrators confronted an especially thorny problem or a troubled student, their reaction was very often "call Dolores."

Her little house down Sutro Street from the school became a community center for northeast Reno. Her door was seldom locked.

She told me that on occasion, she would wake in the morning to find somebody's kid curled up on a sofa or in a corner.

"Who are you?" Mother Feemster would gently ask. The youth would often reply "I couldn't go home last night and a friend told me that it would be OK if I crashed here."

Then Dolores would fix breakfast and listen to what her new friend had to say.

With all due respect to all the other eminently qualified names before you, no one stands at Mrs. Feemster's level where Hug High is involved.

You may reward the example of her lifetime of service by re-naming Hug in her honor while transferring Procter Hug's name to the new location.

I would like to have Hug High School re-named DOLORES FEEMSTER HIGH SCHOOL. Thank you

Dear Member of the school board,

I am writing to express my support for naming the new High School at Wildcreek after former State Senator Debbie Smith. While in the State Assembly and Senate, Debbie was the driving force behind the sponsoring and passing of Brianna's Law, as well as the sponsored of multiple pieces of legislation to assist schools including the bill that led to the creation of the 2016 ballot question WC-1 which gave Washoe County School District the capital funding for the Wildcreek Project. However her connection to schools goes back much farther than that; Debbie was a member of the Lander County School Board, and was a past president of the Nevada State PTA.

Outside of public service Debbie Smith was a 30 year plus Union Member. She served as a fringe benefits coordinator, so she understood the need and the value of having a good pension and healthcare for working people. She understood the value of being a functional and contributing member of society while working and retired and why these good paying jobs were so important, not only for today but for security tomorrow.

While all of these individuals a listed for consideration are deserving, and we don't want to diminish their accomplishments, without Debbie Smith we wouldn't be holding a meeting and naming a new school. Debbie's commitment to the education of current and future students as well as working men and women should not go unrecognized and her legacy should live on by honoring her with the naming of the new high school.

**Dear Naming Committee Members:** 

It is my understanding that the Washoe County School Board is engaged in a school naming process for the new Washoe County High School at Wildcreek. I would respectfully request that the new Washoe County High School be named after Senator Debbie Smith.

As the Executive Director of the Nevada Coalition to End Domestic and Sexual Violence (NCEDSV) I had the privilege of working with Debbie Smith throughout her tenure in the Nevada State Legislature. While I was there as an advocate for survivors of domestic and sexual violence and worked with Debbie on those issues; I am also an advocate for the children that grow up in violent homes and saw Debbie's concern and compassion for all children. Debbie passed bills effecting children's health care, rights, mental health services, and juvenile justice and was always working to ensure that Washoe County Schools were represented in any funding or policy decisions.

I know that there are many individuals who are deserving of this honor, but believe that Debbie's compassion, caring and body of work is second to no one. I urge the committee to use this school naming process to honor Senator's Smith legacy and memory.

Sincerely,

Mr. Riley Sutton School Naming Committee Washoe County School District 425 E. Ninth Street Reno, NV 89512

Mr. Sutton and Committee,

Please accept this letter as a statement of my strong support for naming the new Wildcreek high school in honor of the late Senator Debbie Smith.

I served with Debbie in the Nevada Legislature from 2011 through 2015. In that time, I witnessed her dedication to education demonstrated by her commitment to public policy <u>and</u> public funding. She knew that you one didn't matter without the other, and she dedicated her time as Chairwoman of the Senate Finance Committee to ensuring that Nevada focused on both those priorities.

Most of the time spent talking about education funding in Nevada rightfully centers on classroom resources, particularly per-pupil funding levels, and Debbie used her position of influence to push for more money for education. In fact, after missing most of the 2015 legislative session due to cancer treatments, the State Senate delayed voting on the final version of the Commerce Tax until the last day of the session so that Senator Smith could return to the floor of the Senate and have her vote recorded in favor of more education funding. It was one of her final acts as a legislator.

While per-pupil funding levels are easy for most people to understand, Debbie was also keenly aware of the importance of capital infrastructure funding for

education and she spent her time and energy to make sure the Washoe County School District had the resources it needs to build more schools.

It is entirely fair to say that without Debbie Smith the district would not have the money necessary to build this new school at Wildcreek.

From an initial effort authorizing the Washoe County Commission to increase funding, to focusing on legislative approval of a critical bond rollover, to finally championing WC-1, Debbie spent years working on infrastructure funding with a focus that no one ever had. As a result of her work and dedication, every student in the district sitting in a new or improved school is a part of her legacy.

While every school will feel the effects of Debbie's work, no school is more appropriate to name after her than the new high school at Wildcreek. Just a stone's throw from her home, this school, the first high school built with the money she was so critical in raising, will be permanent testament to her work. I encourage you to honor the woman who made it happen and name it after Senator Debbie Smith.

She did many good deeds and should be recognized as a current Reno/Sparks civil rights activist and loving community member that helped bring about positive changes in her community.

Dear Trustees Holland, Taylor, Raymond, Calvert, Minetto, Kelley and Caudill,

My name is Len Savage. I am a fifth generation Nevadan. My family has been here since 1859. Legacy, tradition, and respect are at the foundation of building a strong community. Recognizing leaders who have contributed service for the betterment of the entire community establishes legacy, builds tradition, and gives respect. The practice of naming schools for community leaders acknowledges those who have made a difference. I believe this was the reason that Proctor R. Hug High School was named in honor of Proctor R. Hug, in 1968.

### I urge the school board to retain the name of Proctor R. Hug for the new high school.

Mr. Hug dedicated his entire life to public education and the advancement of education in our schools. Mr. Hug was a man of integrity, compassion, and wisdom. His legacy, his grandchildren and great grandchildren, continue to live and work in our community. As a fifth generation Nevada family, they have raised their children in Washoe County, each proudly graduating from a public high school. Today's students and families need consistency, tradition, respect, and commitment more than ever. Respectfully, we feel there would be no better name to carry on the message for the school children here in Reno/Sparks.

Recently, Mr. Hug's son, The Honorable Procter R. Hug II, passed away with dignity and grace. As a man of humility and optimism, he very much wanted to see the naming of the new high school remain Hug High School, as do his entire family and friends. Currently, there are three generations of the Hug Family that live, work, and participate in our greater community of Reno and Sparks. The great, great grandchildren will be attending school within the next couple of years here in Reno. As pillars of our community, The Hug name should be carried forward and remain in honor as a public High School.

As for the new Vocational/Trade School name, I submit for consideration, Deborah J. Smith. Debbie Smith's commitment and sacrifice to the advancement of skilled labor across trades exemplified her support and vision for vocational training. As a union contractor, Savage and Son, feels this existing school being converted to a trade school is vitally important to our community and the future of construction trades. It will be a fundamental beginning for many young students. The establishment of an education path that provides quality, state-of-the-art training in labor trades is a needed addition to the education options for the students in our county.

Thank you for your time and consideration on this very important matter of naming of schools. Please do not hesitate to contact me directly if you would like to discuss this matter further.

Respectfully,

Len Savage

Dear Committee Members:

Please accept this letter in support for naming the future high school to be constructed at the Wild Creek site "Debbie Smith High School."

Like countless other members of the Northern Nevada community, to me Debbie was a valued colleague, impactful mentor and cherished friend. When I first campaigned to serve in the Nevada Assembly, Debbie was there behind me, providing guidance and encouragement along the way.

Serving with Debbie in the Assembly was one of the most rewarding aspects of my legislative career. For years into the future, I will hold fond memories of the work we shared to improve education policy and provide needed funding to Washoe schools, all to help educate the generations to come of our community's students.

I'm excited by the possibility of future students passing through the halls of a Debbie Smith High School, some inquiring as to the story of their school's namesake. I know there will be countless people like me ready to share their personal story of how Debbie touched our lives, and eager to pass along the inspiration she provided each of us to aspire to high achievement and to provide exemplary service to our community.

Thank you for your consideration,

Dear Washoe County School District Naming Committee:

My name is Oscar Delgado, and I represent Ward 3 on the Reno City Council. I have had the honor of representing the Northeast Community, where Hug High School is located, for the last seven years. In addition to representing this community on the Council, I also grew up in Northeast Reno, and my wife, Sarita, and her two sisters are proud alumni of Glenn Duncan Elementary School, Traner Middle School, and Hug High School. I recognize how difficult the decision is before you, and I hope that my opinion on these matters will be viewed as a voice who has had countless conversations with community members, Hug graduates, current Hug students, Hug staff, and my own family, who are proud of their affiliation with Hug.

With regards to the naming of the new high school, I strongly believe that it should be named Procter R. Hug High School. I have had the privilege of being a part of the revitalization that has taken place in Northeast Reno over the past several years. The successes in this community are not a result of "rebranding," but are a result of reclaiming the core principles of the people who call this area home. Pride, resiliency, hard work, determination, and family are responsible for the turnaround in these neighborhoods. While there are those who view the name "Hug" as having a negative connotation, there are many more people, people who actually live in Northeast Reno, who are proud of their connection to Hug High School and see the Hug name as a symbol of the very best parts of where they live. This community has seized the name "Hug" as a source of pride, and I believe naming the new high school anything other than Procter R. Hug High School would be a disservice to those who have invested so much in these neighborhoods.

As for the new career and technical education academy, I hope this committee will strongly consider naming it after Dolores Feemster. Ms. Feemster's commitment to Northeast Reno cannot be questioned. She was a woman who cared deeply about young people and went out of her way to serve. She exemplified selflessness, compassion, strength, and a commitment to civil rights. I cannot think of a more fitting tribute than to name the new CTE school, which will be located on the grounds where Ms. Feemster helped students for 34 years, the Dolores Feemster Career and Technical Education Academy.

Thank you for your service on this committee and thank you for your consideration of these requests.

Sincerely, Oscar Delgado Dear Riley Sutton:

I wanted to reach out to support the naming of "Senator Debbie Smith High School". Debbie Smith's first class public service should set an example and be remembered by for generations to come. Her hard work and dedication has made a significant impact for both students and community. Preserving her legacy by naming this high school after her would be fantastic!

Sincerely,

Jim Mosca [Redacted] [Redacted] To whom it may concern:

It's an honor to lend my support toward the naming of Debbie Smith High School. Debbie Smith was my colleague for many years. Long before that, she was my role model, mentor and my dear friend. I knew her to be a champion of families, children and with that, public education. She spent her lifetime working to ensure Nevada's kids had a safe place to earn a great education. She represented her district with grace, humility and pride.

Having a school named after Debbie is a reminder to the WCSD community and the entire state that she was a tireless advocate for amazing schools, just like the one her name will be placed upon. I urge you to honor Debbie, and Washoe County, in this way.

Thank you for your consideration.

Best regards, Jason Frierson Speaker, Nevada State Assembly Assemblyman, District 8

### I authorize my statement for public record.

My name's Emily Hernandez. I'm currently 19 years old and a Freshman at UNR, who's majoring in Electrical Engineering, with an emphasis in Renewable Energy. I couldn't make it today due to scheduling conflicts; regardless, I wanted to mention the influence and impact Dolores Feemster has had in my future career and life.

I've never been more encouraged and inspired by anyone, except by the members of the NAACP. Growing up as a first-generation, low-income Latina, I was incessantly disparaged for my goals and aspirations by adults and those older than me. During high school, my school registrar laughed in my face after telling her my goals of becoming valedictorian. Once officially titled as Valedictorian, I had my speech taken away by my school principal. All in all, people doubted me, my capability, and my intelligence. However, after these unfortunate incidents, the NAACP reached out to me and offered a helping hand. This organization has been the most compassionate, most loving, and supportive group of adults I've ever met. The immense amount of influence and passion is kindled by the legacy Dolores Feemster has left.

Believe it or not, it's difficult trying to find yourself and define your identity as a minority and teenager society pushes you down into an abyss of failure and doubt. During these struggling times, minority students like me want the slightest glimpse of hope given by anyone. Dolores Feemster offered more support and courage than a student could anticipate. The same energy that fuels the NAACP is something that Dolores Feemster's presence continues to ignites. She'll continue to be the civil rights activist, counselor, and mother that's exemplary of genuine tenacity, persistence, love, and care. Her legacy will continued to be illuminated and recognized through the NAACP, her family, the community, and most hopefully, as a school named in her memory.

Thank you,

**Emily Hernandez**

Dear Washoe County School District Board,

Understanding that naming of district schools is before the Board this evening, I would like to make a resounding recommendation to name district school after Delores M. Feemster. As a 1976 graduate of Procter Hug High School I can personally attest that Mrs. Feemster was a positive female role model, professionally and personally. I can say that so many of the character assets that she displayed have impacted me even four decades later. She always had a smile on her face, never hesitated to listen to the cares and concerns of students and provide earnest counsel. She helped many students believe in their potential as they graduated and left Sutro Street in Reno. I often think of Mrs. Feemster, she left an important legacy to dream big and make those dreams a reality.

I authorize this e-mail to be entered as a Public record.

## Dear WSCD Naming Committee:

It is with much enthus asm and that I recommend Ms. Do ores and Mr Danyl K. Feemster Srios condidates for the naming of New Washoe County Schools.

I grewup part of my life in Reno. Nevada and I had the privilege of meeting both Ms. Dolores & Mr Darryl Feemster and myself and my family members went to school with their relatives. The reemster family has a ways been we coming, inviting, well respected pillars in the Washoe County Community. Ms Dolores Feemster was involved in civiling this organizations grass root community organizations and was a beacon of light in the school district and continued this until she transitioned. I can still remember as a child, running to her home to visit my dear friend to play outside with her, and she was a ways welcomed me with a big smile. refined and o definition of what o true trails be azer represents.

I believe this would be an utmost honor to have a school named after two phenonomial people that would leave a legacy for their relatives, friends and the community of Washoe County. Takso be ieve that the Community should have a fair representation of people of Color, who have placed a high regard on the value of education. by naming schools after them.

Thonk you for your time

Sincere

Dear WCSD School Naming Committee,

I am in full support of naming the new school in honor of Dolores Feemster. I am sure you already know all of Mrs. Feemster's professional and orgianizational attributions to the community, so I wanted to share with you a few small examples of how she helped me personally. Mrs. Feemster was someone who was always there for me when I needed her. I knew I could count on her for advice, comfort, and help. When I attended Hug High School, she allowed me to work in the office for class credit and taught me basic office skills that I use today as an executive assistant. She also helped me find a paying internship in a professional office so I could continue learning new skills while also helping my family with finances. Mrs. Feemster set an example for the kind of person I wanted to be. I hope to someday work as a school administrator and help kids the way she helped me and thousands of others. I can think of no one more deserving of having a school named after them that Dolores Feemster. A true role model for every student to look up to.

Unfortunately, I am unable to attend the WCSD School Naming Committee meeting on November 6, 2019, but I hope that this letter can be presented on my behalf.

Sincerely,

Melody Byrd

[Email received 11/6/1029]

Dear Riley Sutton,

I am writing today in support of the naming of the new high school being built at Wildcreek after the late Debbie Smith. Debbie Smith was a local advocate and champion for education and was directly responsible for WC-1 being funded. As a local hero she is exactly the kind of person who should be honored by the Washoe County School District, someone who cared deeply for the mission of public education.

I so deeply hope that the esteemed committee will consider her nomination as her memory is very deserving of this honor.

Sincerely,

Paul Pangman

[Email received 11/6/1029] I am in support of naming Dolores Feemster's name to either the new high school or the present Hug high school. Thanks Ambassador Victor Wowo Sr. [Email received 11/6/2019]

I am writing to support renaming the high school after Debbie Smith. Her memory living on through the name of an educational institute perfect! Please consider this.

Thanks, so Richard Venezian [Email received 11/6/2019]

To the members of the Washoe County School District Naming Committee, Thanks so much for the time and commitment you've dedicated in your capacity as the WCSD naming committee. I ask that you watch this very brief video before tonight's meeting. Thank you for your consideration. Julia Ratti

Bob Lisner Elementary School	Donated huge amounts of money to the district and individual schools. Volunteered thousands of hours at schools around the county, He is a champion for our community but never ask for anything in return. A true hero!	Bob, volunteered for more than ten years in title one schools an inspiration to teachers and students alike. I was a shop teacher a Vaughn Middle School for welve years. Bob spent seven years working everyday several hours a day helping kids get a start in life.	Bob has served on multiple boards including the humane society, the food cabinet, habitat for humanity, just to name a few	Bob's company has built over 3000 homes in the greater Reno area and is still building.	Bob's company practically built Cold Springs , and is continuing to build affordable housing in Washoe County	Bob never talked about his gifts to WCSD but I know he donated in excess of 250,000.
Bob Lissner ES	Bob has helped and/or wholly funded numerous education and education support programs in wCSD schools, including supporting both classroom education with programs like Kinder Amigos, and supporting capital needs with contributions to the WC-1 effort and heavily- discounted land sales and construction work after passage.	building responsible, mostly small- footprint housing developments at price points accessible to middle and working class families.	many non-profits over the years beyond the school district. His			Some additional detail beyond the previously-mentioned: The approximate value of Bob's donation for the land this school will sit on is around \$1 million. That includes work that Bob had his company do to prep the site for school construction while details were being worked out with the District. He did this prior to any signed commitment from the district or vote of the Board sc that WCSD could move faster to get this badly-needed school open faster. Bob and his company made the very first campaign contribution to the WC-1 ballot question campaign committee. In order to "set the bar" for others so that the campaign would be well funded, they made a contribution of \$25,000. They were also the first to donate to the rebuild of Traner Pool – again first in (pardon the pun) with a \$25,000 contribution.
Bob Lissner ES	Bob has been very impactful to WCSD, not just Cold Springs. He has taught middle school atrisk students while also giving countiess hours and donations for technology and early education. I'm sure there are many more efforts that Bob has put forth that I'm not aware of but many else are.	See #2	See #2	See #2	Cold Springs is in essense Bob Lissnerville as I believe he also donated the land for the school site.	See #2 and #7
Lissner Elementary School	The Lissner family donated the land for this school as well as the Cold Springs Middle School. The Lissner family has donated much needed equipment to schools in the past and they have been involved in several school programs.	The Lissner Family has provided gym equipment, computers, and more to schools in the area. They also volunteer in the school system to make sure kids from all backgrounds are getting the best education possible. They also provide a refund program for people who are looking to volunteer and need fingerprints done. By doing this, they are helping more people to be able to volunteer for the students.	The Lissner family is the owner of Lifestyle Homes. They are the builder of Woodland Village, the community that the new school will reside in. They are a family that believes in giving back to the community, mainly focusing on the schools. If you take a moment to walk into their office, you will see countless plaques showing their continuous support for schools in the area. Washoe County deemed May 16th, 2017 as Robert and Peter Lissner Day as recognitions for their contributions to the community.		The Lissner Family has built several communities in Washoe County and they are the ones that donated the land that the new elementary school will sit on.	The Lissner family has donated land, playground equipment, computers, gym equipment, and more. They have also supported many of the sports programs in the are and volunteered countless hours to help ensure they are doing all they can to support the children in the area.
Robert Lissner E.S.	Bob has had and continues to make significant contributions not only to education but to the Cold Springs / North Valley's community. He is deserving of this not only for his financial contributions but for his true care and passion for the bettering of young minds. For all he does, he truly receives little to no credit and does not seek this out, but he is deserving of this.

Prior to being a Principal he was a teacher in the district at Northside Junior High School. Joe Meabe was my Principal for my entire time at Lena Juniper (K-6). He was such a kind and caring leader for his students, always empathetic and understanding instead of harsh and judging. He never forgot an old student of his and would be happy to say hi and chat when students ran into him out in the world. He has truly been an inspiration to me as I move through my teaching career and I often think fondly of this years at Lena Juniper. Mr. Meabe passed away on 2016. He was dear to many students and created an amazing learning environment during his 22 yeas t wonderful to recognize him with a school named after him.	Answered in #2

Mike Inskeep	Mike Inskeep was a teacher at Cold Prings Middle School that passed away. As a teacher he helped and inspired many students.					
Mike Inskeep	Mr. Inskeep was a teacher at Cold Springs middle school and sady passed away from a complication of surgery. He inspired so many students to do their best while being themselves.	Mr. Inskeep was loved by all of his students, always made a connection with them all and would go out of his way to make them smile. He is greatly missed out here in cold Springs, so I think this would be such a great way to honor his memory. He was one of the teachers that has inspired my daughter to go to school to be a teacher.	He was a teacher during the day and then spent after school coaching and helping out with other sports here in Cold Springs.		Mr. Mike Inskeep was a teacher at Comd Springs Middle School and a Iong time teacher in Washoe County.	
Mike Inskeep Elementary	Mike was a middle school teacher at both O'Brien and Cold Springs Middle, when he died. He was a fantastic teacher and all around good guy.
