Washoe County School District - Student Advisory Council

What is Student Voice (SV)?

Student Voice is demonstrated when adults and students work together to address school challenges.

What is the purpose of the WCSD SAC (Student Advisory Council)?

The Student Advisory Council makes the voice of our youth visible as students work with peers and district staff to improve the educational experiences for ALL students. Through the Student Advisory Council, students learn to use their voices to actively address school challenges.

What are the responsibilities of SAC members?

- Attend bi-monthly meetings to collaborate with district leaders and learn strategies to engage their fellow classmates in Student Voice work. **Meetings will be held after school on the 3rd Tuesday and the 1st Wednesday of each month unless a school break occurs.*
- Meet with their school administrators or Student Voice Team once per month to update them on their work with SAC and plan for student voice activities/projects in their schools. *This varies by school
- Collect feedback about district topics from students at their schools.
- Co-facilitate student voice projects in WCSD and in their schools.
- Represent the 62,000+ student population of WCSD in various capacities throughout the year.
