- QUESTION:** Our firm was formed in 2017 and we would not be able to provide financial stability information for more than 2017 as our 2018 accounting is not finalized. Will one year be sufficient?

**ANSWER:** If your firm has been in business for less than 3 years, please submit all available financial stability information as required in Section 1.1.4 and note the reason why less than the required number of years of financial documentation has been provided.
