

Pre-owned Textbooks

Save up to **75%** on publisher prices

One of the largest expenses in any school's budget is textbooks. When buying this important resource, you want the best prices, and your students deserve top quality.

Follett, the nation's largest provider of pre-owned textbooks, can help you close the gap between the resources you have available and the learning outcomes you want for your students.

THIS YEAR YOU'LL FIND MORE CONTENT FROM MORE PUBLISHERS!

- 75% off is equivalent to getting four textbooks for the price of one
- More than five million of the most popular and hard-to-find programs
- Quality certified by a rigorous 10-point inspection
- Premium like-new textbooks and workbooks
- One-stop access to the resources you need
- A 100% satisfaction guarantee
- And the best selection from all major publishers, including:
 - State-specific programs
 - HMH exclusives, only from Follett
 - New Cengage Career and Technical Education programs

Textbook Buy-back

Turn Surplus Textbooks into Cash

Our Textbook Buy-back Services empower you to turn left-over books into cash or credit, so you can buy the programs your students need now.

YOU'LL HAVE MORE CHOICES AND MORE VALUE WITH FOLLETT:

- **Buy-back** – Sell surplus textbooks, teacher's editions or workbooks.
- **Consignment** – Reserve textbooks with no current market value for future "first-in-line" evaluation and potential purchase, at no cost.
- **Pre-sell** – Lock in today's market value and quantities for books we will take from you at the end of the school year.
- **Pick Up** – Free up storage space by utilizing our "take all" option.
- **Recycle** – Our experts will strategize with you for the best solution to your textbook recycling needs.

GETTING STARTED IS SO EASY!

Contact your Follett team today to schedule an appointment.

We'll analyze your inventory, identify books of value, and pack and ship them at no cost to you.

We'll provide quotes on the spot with our quick book-review technology.
