

Rating Action: Moody's assigns A1 to Washoe County SD, NV's GOLT, Series 2019A

29 Aug 2019

New York, August 29, 2019 -- Moody's Investors Service has assigned a A1 to Washoe County School District, Nevada's General Obligation (Limited Tax) School Improvement Bonds, Series 2019A totaling \$75.0 million. Moody's has also maintains an A1 issuer rating and A1 ratings on the district's outstanding general obligation limited tax bonds totaling approximately \$734.8 million. The outlook remains positive.

The issuer rating represents Moody's assessment of hypothetical GOULT debt, though GOULT bonds are not issued by local governments in Nevada. The GOLT pledge in Nevada is limited by constitutional and statutory limitations on overlapping levy rates for property taxes.

RATINGS RATIONALE

The A1 rating reflects the district's large, growing and diversifying tax base that is the regional economic center for northern Nevada. The local economy's exposure to gaming and tourism and the average socioeconomic profile of the district have also been considered. The rating further reflects the district's recently pressured General Fund finances that are transitioning to structural balance with overall satisfactory operating funds' reserves and ability to pay debt service. The district's moderate debt burden that is expected to increase with planned issuances and its elevated pension liability were also key rating drivers.

The absence of a rating distinction between the district's issuer and GOLT ratings reflects the strength of the full faith and credit pledge in Nevada, which Moody's rates at the same level as the issuer ratings of local governments in the state.

RATING OUTLOOK

The positive outlook reflects our view that strong revenue receipts will support at least satisfactory operating reserves, and the recent steps that management has taken to its address operational difficulties will materially improve the district's General Fund operations. Management also adopted actions that have moved the district towards structural balance and remain committed to following its board approved 8-10% General Fund Balance policy. Moody's also expects that the tax base will continue to grow and diversify.

FACTORS THAT COULD LEAD TO AN UPGRADE

- Ability to build upon recent results to maintain structural balance in the general fund going forward
- Material, sustainable improvement in the district's reserve position
- Significant appreciation in socioeconomic measures

FACTORS THAT COULD LEAD TO A DOWNGRADE

- Narrowing of operating reserves and liquidity
- Declines in tax base or an economic downturn
- Inability to maintain structural balance
- Significant growth in net pension liability

LEGAL SECURITY

The bonds are secured by the full faith and credit pledge of the district, subject to Nevada's constitutional and statutory limitations on overlapping levy rates for property taxes that are capped at combined \$3.64 per \$100 of assessed value.

USE OF PROCEEDS

Proceeds from the sale will be used to continue the district's capital renewal project plan and focus on roofing, HVAC, turf replacement, and electrical upgrades.

PROFILE

Washoe County School District is coterminous with Washoe County (Aa2 stable) and serves a population of approximately 467,417 in northern Nevada, including the cities of Reno (A1 positive) and Sparks (A2). The district serves approximately 64,000 students and is the second largest in the state.

REGULATORY DISCLOSURES

For ratings issued on a program, series, category/class of debt or security this announcement provides certain regulatory disclosures in relation to each rating of a subsequently issued bond or note of the same series, category/class of debt, security or pursuant to a program for which the ratings are derived exclusively from existing ratings in accordance with Moody's rating practices. For ratings issued on a support provider, this announcement provides certain regulatory disclosures in relation to the credit rating action on the support provider and in relation to each particular credit rating action for securities that derive their credit ratings from the support provider's credit rating. For provisional ratings, this announcement provides certain regulatory disclosures in relation to the provisional rating assigned, and in relation to a definitive rating that may be assigned subsequent to the final issuance of the debt, in each case where the transaction structure and terms have not changed prior to the assignment of the definitive rating in a manner that would have affected the rating. For further information please see the ratings tab on the issuer/entity page for the respective issuer on www.moody.com.

Regulatory disclosures contained in this press release apply to the credit rating and, if applicable, the related rating outlook or rating review.

Please see www.moody.com for any updates on changes to the lead rating analyst and to the Moody's legal entity that has issued the rating.

Please see the ratings tab on the issuer/entity page on www.moody.com for additional regulatory disclosures for each credit rating.
