RE: **WORK SCHEDULES & CALENDARS 2023-24: LESS-THAN-12-MONTH ESP EMPLOYEES**

Attached to this memorandum is a description of the work days for ESP employees who work less-than-twelve-(12)-months. Please post this description at your school.

### WORK DAYS

Please note that “work days” means in paid status (excluding holidays). Thus, an employee with a 200-day work year should have 200 actual days on the job unless ill or using another paid leave day (such as personal business).

Work should not be scheduled during Christmas or Spring breaks for most ESP employees. If an employee qualifies for, and has earned vacation, he/she should be encouraged to use it during these periods except when there are “essential functions” that must be performed i.e. payroll processing. Each site needs to establish a plan to cover the essential functions during any break periods.

### WORK HOURS

In a seven (7) hour a day position, seven (7) hours a day **must be worked** (break time is included in the 7 hours). Lunch time (regardless of whether it is thirty (30) minutes or one (1) hour) is external to the seven (7) hours. Thus, a seven (7) hour secretary with a one (1) hour lunch must be “on the job” for eight (8) hours.
