

# Office 365 at Home

<p>Open an internet browser such as Internet Explorer. Click on or type this link into the address bar on the browser.</p>	<p><a href="https://login.microsoftonline.com/">https://login.microsoftonline.com/</a></p>
<p>Then in the box that says “Sign in with your work or school account”, type in your login name which is: <b>studentid@washoeschools.org</b></p> <p>Then click Sign In. *Note*: <b>studentid</b> = your own student id number</p>	
<p>When the next box pops up type in your password, in the password box, then click Sign In.</p> <p><b>**Note:**</b> Your password is the same password you use to sign in to the computers at school.</p>	
<p>You will see this screen and it will have your first name in the greeting. The apps that you have available to you are right below the greeting.</p> <p>In addition, if you would like to install Microsoft Office 2016 onto your home computer, you can click on the Install Office 2016 link in the upper corner of this screen.</p>	
<p>Resources</p>	<p><b>Office 365 District Resources Link</b> <a href="http://washoeschools.net/Domain/628">http://washoeschools.net/Domain/628</a> <b>Privacy Policy</b> <a href="http://www.washoeschools.net/Page/5371">http://www.washoeschools.net/Page/5371</a></p>
<p>If you have any questions regarding this process contact your school.</p>
