

Policy for using Apps/Online tools

Follow these steps:

1. Create a list as a department of which tools you and your teachers use.
2. Compare the list with the currently approved tools: <https://contractreview/>
3. For any tools that aren't approved, check to see if they are pending approval or have been rejected.

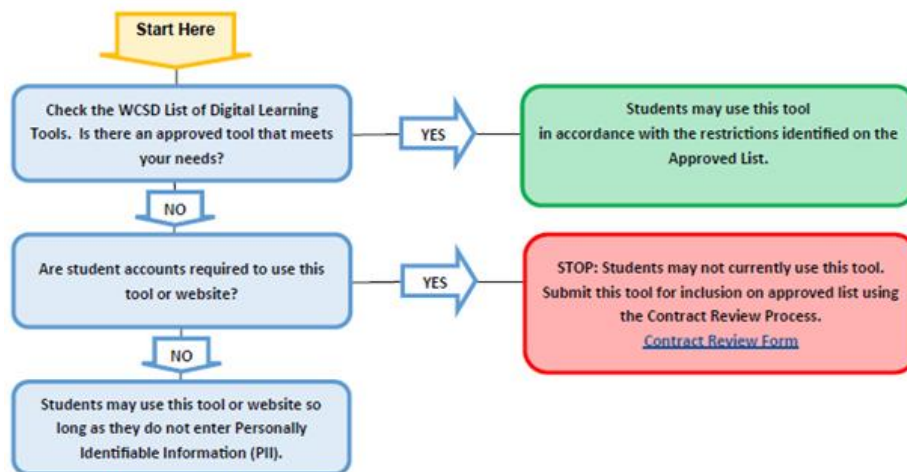

WCSD Approved Digital Learning Tools

Sort By: Name Keywords: Category:

Status: Approved Rejected Pending

4. Check the flowchart below to ensure that the tool requires approval. Many tools can be used without approval:

Ensuring Students are Safe When Using Digital Learning Tools

5. If the tool has not been rejected and is not pending approval, and it needs approval, submit a “contract review form”.
