

RETURN TRAVEL WAIVER & \$30 PAYMENT BY FRIDAY, March 1

Depoali Intermediate Band Field Trip — CLINIC at UNR & COCONUT BOWL Friday, March 15, 2024

Trip Overview:

Depoali Intermediate Band students are preparing for a special field trip opportunity on Friday, March 15, 2024. We will be travelling to the University of Nevada Reno (UNR) to receive a clinic from the head UNR Band Director. We will play for him, and he'll give us feedback to help us improve for WCSD Band Festival which is happening the following week. After we play at UNR, we will head to Coconut Bowl as a reward for our work this quarter. While the event at UNR has no cost (included in band fee from beginning of the year), the Coconut Bowl reward comes at a discounted rate of \$30 per student for an all-access package. Students need to bring their own money to buy lunch and play in the arcade. The menu for Coconut Bowl is linked on the band website. Below you will see the itinerary and expectations of the field trip. I am excited to provide this opportunity to our band students!

Eligibility- all students must meet the following criteria to attend Coconut Bowl:

- Passing all classes (no grades lower than 60%). *A final grade check will occur on Monday, March 11.*
- No more than 1 major referral during quarter 3.
- Zero (0) out of school suspensions.
- No more than 4 unexcused absences during quarter 3.

Ineligible students will return to their classes following the clinic at UNR.

Registering for the trip– please complete the following by Friday, March 1:

- Send in \$30 payment. Make checks to Depoali MS (Credit in the student's music account can be applied to this trip)

Chaperones

We need 6 chaperones for this trip. If you would like to chaperone, please sign up using the link on the band website homepage (or email Mr. Barthel – dbarthel@washoeschools.net).
