

Intermediate Honor Band - Interest Form

Dear Parents and Student:

We are thrilled to announce the Washoe County School District Honor Band! WCSD hosts three district-wide honor bands every year — Intermediate Honor Band, Advanced Honor Band, and High School Honor Band. The exceptional students selected for the *Intermediate Honor Band* are in their first year of playing their instrument. After several rehearsals, the culminating event is a performance on the Pioneer Center stage under the direction of a renowned director in their field. Participating in Honor Band is one of the most fulfilling and rewarding musical experiences offered to our students! If this experience is of interest to you, please complete the bottom portion of this form and return it to the band teacher.

Expressing interest using this form does not indicate that you are making a commitment at this time. Returning this form allows us to monitor and select the most exemplary students based on observations from classroom rehearsals. There are a limited number of spots available. Once our selection is complete, students will be notified, and all rehearsal and performance information will be communicated in a packet of forms sent home with the student. The rehearsal schedule is below for your reference. We hope to see you on the Pioneer Center stage!

Date	Time	Event	Location
Tuesday, Feb. 20	4:30 – 6:30pm	Sectional & Rehearsal	Mendive Middle School
