

Reno High School Choral Music Handbook 2022-23

Mr. Gaunt

dgaunt@washoeschools.net

Welcome to Choir! Whether you are just starting out or a seasoned pro, I want this class to be the best it can be for everyone. Choir is a *team activity*, and like **every** team sport demands hard work, time, concentration, and dedication. In return for this effort, you can expect to have fun, learn things, and build something you can be proud of. Conversely, if you don't put something in, you won't get anything out of it. Please respect the program and the desires of others. Choir is a *performing art*, and as such will be graded based on how you perform, both on stage and during rehearsals. Remember, if it doesn't challenge you, it won't change you.

MATERIALS NEEDED – no exceptions. See me if there is any difficulty.

1. **Black 3-ring binder, or part of a combined binder.** Music is provided by the school.
2. At least **one pencil** for making notes on the music. Don't use ink - I can change my mind.
3. **Choir Uniforms.** T-shirts for Mixed Choir, dresses & dress shirts for auditioned choirs.
4. **Black slacks by 9/28.** No jeans, shorts, or Capri's, but a long black skirt is OK.
5. **Black dress shoes & socks by 9/28.** Ladies, open toes are fine **with** black stockings.

CLASS RULES AND BEHAVIOR – consequences will follow RHS guidelines.

1. **Be where you need to be**, with your binders, when the bell rings.
2. **Respect others** and their stuff. If it's not yours, don't mess with it.
3. **Respect the class.** To get respect you must give it first.
4. **Give it all you've got.** You won't get any better if you don't try your best.
5. **No passes the first 10 or last 10** minutes of class.
6. **No hats, headphones, or homework.** Focus on the class and sing your assigned part. You will have the opportunity **3** times per quarter to take a study day. Don't abuse it.
7. **No eating or drinking anything** but water. Don't beg for time to eat.
8. **NO CELL PHONES. You don't need it. No. It will cost you participation points. No.**

COURSE OBJECTIVES

1. To expose you (the students) to many different types of music.
2. To utilize correct vocal technique in all our vocal production.
3. To teach and practice singing in tune with a beautiful voice.
4. To teach music theory in order to create musically "literate" students. Music is a language, and needs to be studied and practiced to improve.
5. To encourage students to work together as a **team**. Be proud of what you do.

ACADEMIC EXPECTATIONS

Your 9 week and semester grades will be a combination of the following areas:

30% - Tests & Quizzes

35% - Performances (includes arrival time & uniform)

20% - Class Participation

15% - Final Exam (quarter and semester grade)

There will be weekly tests and occasional pop quizzes. Tests and quizzes will be written and oral, covering reading assignments, worksheets, class notes and activities, and your music. Oral music testing is done in quartets, trios, duets or solos in front of the class. Participation and practice will be assessed weekly and posted to Infinite Campus.

PERFORMANCES & REHEARSALS

Each concert is normally worth 35% of your quarter grade. Any student who has an unexcused absence from a scheduled performance will not receive the points for that performance. **This WILL mean failing the quarter!** Unexcused absences from after-school rehearsals or lunch rehearsals will result in at least a 1/2 grade reduction. Only cases of extreme emergency or personal illness will be excused after the fact. Students who miss concerts or rehearsals will be given a 2 ½ page written assignment to make up for it. You may only do this **once** a year.

**SINCE THIS IS A PERFORMANCE CLASS,
YOU MUST PERFORM TO PASS AND RECEIVE CLASS CREDIT.**

The following will NOT be considered excused:

Work

Homework

No transportation

PERFORMANCE ETIQUETTE & ATTENDANCE

1. All students will be given a “call time” for each performance. This call time is usually 30 minutes prior to the beginning of the concert or “downbeat.” Do not be late for your call time! Roll will be taken, and I will take you through warmups and last minute changes or instructions. **Arriving late without notice will lower your performance grade by 15%.**
2. Please be conscious of what a good high school performer looks and behaves like on stage. Performers should keep their hands away from their face and hair, and not wave or gesture to the audience (unless it’s part of the choreography!). Look as if the only thing you thought about was singing each note as well as possible, and communicating the meaning of the song to the audience. If you pay attention during class, you won’t have a problem. **Remember you represent Reno High.**
3. You are to arrive at the call fully dressed and groomed for performance. There is just not enough room on campus for 60 women to do their hair at once.
4. Hair should be styled **conservatively** and combed out of your eyes. Don’t wear painfully flashy stuff and don’t tell me it’s your “style.” Your jewelry should also be discreet - no huge dangling earrings, sparkly nose / eyebrow rings, large necklaces, or heavy bracelets. **If you draw attention to yourself and away from the group, you’re missing the point.**
5. Hang up your clothes after every performance. Take pride in your appearance.
6. Don’t wear perfume and/or aftershave. The combination of hot lights and 17 types of cologne has been proven to cause people to faint during performance. I’ve seen it happen. Really. **Deodorants, on the other hand (unscented, please), are required.**
