Voki:

Create an avatar and type in your STEM Lab Summary by answering the questions below:

STEM Lab Summary

1. Open MSWord, write about what your class experience was like. You will have 60 seconds of recording so make it brief.
 - What the atmosphere was like?
 - What was your partner like?
 - What was your favorite station and why?
 - What did you learn?
 - What if anything could be changed to make this class better.
2. How To: Go to www.voki.com

Click Try – It's Free

Customize your Character

Give it a voice:

Copy your summary from then MS Word Document.

Make any other changes you would like. Click publish. Give it a name, choose save. If they ask you to set up an account cancel it will bring you to a page where you can copy a link and put that in your website.

Padlet:

Go to www.pinestemlab.weebly.com

Hover over 2nd semester and click on your period to go to your class period's page. If asked type in the password "pinstem" then double click on the background.

Type your name and a title for your picture. Upload a picture of what you are most proud of this semester.
