Math 8 Lessons for November 11-15

**If you are absent, you MUST <u>make-up the classwork as well as the homework.</u>

Monday Nov. 11 **2345**	1. **No school**	**Due Next Class:**
Tuesday Nov. 12 **2345**	**Agenda: Quizzes: Finding Slope and Y-Intercept from different formats** 1. **Warm-up: Go get your black testing screens (in boxes by window by my desk).** Then, Clear off everything except a pencil, calculator, note sheet. 2. **Complete the first quiz.** Turn it into Teacher. 3. **Then, complete the second quiz.** Turn it into Teacher. 4. **If done with everything, start working on the Stained Glass assignment.** (Come get that from the Teacher.)	**Due Next Class:** None.
Wednesday Nov. 13 **2** **Thursday Nov. 14** **345**	**Agenda: Writing Equations in Slope Intercept** **HARD DEADLINE ON FLAGS AND SLOPE ESCAPE ROOM: END OF PERIOD TODAY!** 1. FIRST PRIORITY: Get the Flags assignment and the Slope Escape Room assignment finished. (Turn them into the drawer.) 2. Once finished with items in #1, Finish the Stained Glass graphing activity. 3. Once finished with all the above, watch the video from my YouTube Channel on writing equations in slope intercept https://youtu.be/yqRQf8--_Tk?si=0FkVAXrWZXwSprAC 4. Take notes on what you saw in the video (hint: you can use these notes on a quiz.)	**Due Next Class:** 1. Watch the video from my YouTube Channel on writing equations in slope intercept https://youtu.be/yqRQf8--_Tk?si=0FkVAXrWZXwSprAC 2. Take notes on what you saw in the video (hint: you can use these notes on a quiz.)
Friday Nov. 15 **2345**	**Agenda: Writing Equations in Slope Intercept** 1. **Warm-up:** Watch the video from my YouTube Channel on writing equations in slope intercept https://youtu.be/yqRQf8--_Tk?si=0FkVAXrWZXwSprAC a. Take notes on what you saw in the video (hint: you can use these notes on a quiz.) 2. **Begin working on the walkabout activity that has the cards taped on the walls. You need a piece of paper.**	**Due Next Class:** None.
