THE DETAILS

Do you give extra help?

Yes! I am more than happy to help you if you are struggling with a particular concept. Please reach out to me via text at 513-655-7310. Be sure you identify yourself the first time so that I can save your contact information. You may also email me. I will respond.

Can I use my technology?

Bringing a device is a decision to be made only by families. WCSD and myself will not be held liable for damage. In order to avoid any transmission of COVID-19, technology will be encouraged. I do NOT intend to print any work of any kind for any person for any reason. All assignments will be posted on Teams for students to complete.

What if I miss a day?

All work (assignments, quizzes, reflections, and tests) will be posted on Teams. Absences will happen. The expectation of students in my classes, is to maintain connectivity of some sort when out on distance due to either contracting the virus or being excluded due to COVID-19 exposure.

What if I turn work in late?

For any assignment that is submitted late, there will be a consequence. Self-reflections should show that you were not effective in your learner responsibilities. This will impact your work ethic choices and most likely your behavior choices. Your student will be expected to resolve the assignment in a timely manner. Dates will be posted. Please check Infinite Campus frequently.
