

Navigating Our Course (Status Checks) Handout

Measuring the progress of a school's strategies directly impacts the likelihood of reaching goals. It is important to assemble the CI Team regularly to assess the status and quality of implementation and, in turn, adjust daily work in response to this assessment to achieve the intended outcomes.

Purpose: Status Checks provide the space for the CI Team to reflect on the data and progress related to the Improvement Strategies noted in the SPP Roadmap across the three Inquiry Areas and develop next steps according to the analysis and needs.

Directions: As a CI Team, complete the following steps for each improvement strategy.

- **Step 1:** Review the Findings/Visualizations slides within the Status Check slide deck. These will need to be updated prior to each Status Check.
- **Step 2:** Reflect on the **Now, Next, Need** questions noted in the slide deck.
- **Step 3:** Fill in the appropriate cells for each Status Check. You may use the tables starting on page 2 of this handout or use the *Status Checks: Navigating Our Course Spreadsheet* to track and monitor progress.
 - Rate the overall status of the improvement strategy using one of the following:
 - i. **Strong** - on track
 - ii. **At Risk** - requires some refinement and/or support
 - iii. **Needs Immediate Attention** - requires immediate support
 - Identify specific **Lessons Learned (Now), Next Steps** and **Needs**

After each Status Check update the overall Status in the At A Glance table on page 2 of this handout. This table can be shared with staff, families, and other school partners to provide an update on the SPP Roadmap. This may also be used with district staff to show progress over time.

Glossary Terms

Status check - focused dialogue that takes place across the Status Checks where teams use data to understand the impact of the Improvement Strategies, monitor progress toward school goals, and make adjustments/decisions based on learnings and challenges.

Navigating Our Course At A Glance

Fill in the tables below with school Goals, Improvement Strategies, and Intended Outcomes. After each Status Check, copy and paste **Strong**, **At Risk**, or **Needs Immediate Attention** to the Status Check # Status column determined by the Status Check's activities on the following pages.

Student Success																		
<p>School Goal 1: Bohach will increase proficiency and growth in ELA, mathematics and science. KPIs: 1. ELA overall proficiency will increase from 67% to 70% as measured by Nevada CRT/SBAC 2. Math overall proficiency will increase from 62% to 65% as measured by Nevada CRT/SBAC #3. Science overall proficiency will increase from 60 to 65% as measured by Nevada CRT.</p>
