Incline ThoughtExchange Results

Our community is concerned that the process to investigate closing IMS was started without community input and suggestions All of the surveys and meetings feel like WCSD is checking a box in the process to do whatever they want, not really listen to the community.

4.7 ★★★★★ (44 👤)
Ranked #1 of 286

Maintaining a high quality level of education for all Incline students. Our schools are ranked top in the state because of our dedicated teachers and staff.

4.7 ★★★★★ (43 👤)
Ranked #2 of 286

Keep the middle school open. The devastating ripple effects of closing it have not been addressed and there is no solid plan as to where 7/8 will fit. high school has no physical space to add two grades. We currently have teachers teaching out of storage rooms and a major construction project in work
