Make sure all K-8 students have access to the DreamBox program for the appropriate number of minutes for their age group. This program is research based and data driven to promote math skill acquisition.	Students will receive daily time in school to work on DreamBox, a program that will meet them at their ability level and challenge at that level. These students will show an increase in their math achievement scores.	N/A	Strong – on track	Update after Event 8
Monitor DreamBox student performance with staff over time.	Staff should have access to real time data to give insight on student performance.	N/A	At Risk – Requires some support	

Adult Learning Culture				
School Goal 2: By spring of 2022, Gerlach K-12 staff (regardless of classified vs certified status) will have received at least one training opportunity in their area of focus from WCSD staff.
