

Poulakidas 4th Grade Supply List

This year, the fourth-grade supply list will only consist of the class donation. The class donation will be used to help purchase specific materials for the classroom, as well as to restock materials throughout the year. Most supplies will be shared among students. Your child is more than welcome to bring their own supplies that will be kept in their backpack.

Please bring **\$30** in cash or check on the first day of school. Checks can be made out to Poulakidas Elementary.

Thank you!

The 4th Grade Team
