Traci Davis, Superintendent
Washoe County School District
PO Box 30425
Reno, NV 89520-3425

Dear Ms. Davis:

A thorough review of Washoe County School District's application to conduct a distance education program has been completed. **Please accept this as official notification that Washoe County School District is approved to operate the distance education program as submitted to the Department of Education.** All courses included in the application are approved for use. Approval of the program will be for the period beginning July 1, 2017, through June 30, 2020. Approved Distance Education programs are in effect for three years. If your district makes significant changes within your Distance Education programs, updates to the currently approved plan will be required.

As a point of information, all courses that have been approved as part of a distance education program in Nevada are to be included on the "State Approved" list of distance education courses.

If you have any questions regarding the implementation of the program as it relates to statutory or regulatory requirements, or if you have any questions or concerns, please feel free to contact me at (775) 687-7288.

Sincerely,

A handwritten signature in blue ink that reads "Tracy Moore".
