

## 7th Grade Mathematics – Distance Learning

Consider using the math tasks from Illustrative Math that are linked below. This is a subset of the Essential Standards for 7<sup>th</sup> grade. (note: Some tasks apply to more than one standard)

Ratios and Proportional Relationships	The Number System	Expressions & Equations
<a href="#">7.RP.A.1</a> <a href="#">7.RP.A.1</a>	<a href="#">7.NS.A.1</a>	<a href="#">7.EE.A.1</a>
<a href="#">7.RP.A.2</a> <a href="#">7.RP.A.2</a>	<a href="#">7.NS.A.2</a>	<a href="#">7.EE.A.2</a>
<a href="#">7.RP.A.3</a> <a href="#">7.RP.A.3</a>	<a href="#">7.NS.A.3</a>	<a href="#">7.EE.B.3</a> <a href="#">7.EE.B.3</a> <a href="#">7.EE.B.3</a>
		<a href="#">7.EE.B.4</a>
		<a href="#">7.EE.B</a>

**Illustrative Mathematics Tasks** – 100+ tasks organized by Standard taken from [Illustrative Mathematics](#). Answers can be found on their website.

**Warm-ups:** – [Document linked here](#) – Ratios & Proportional Relationships 12-18; The Number System 19-39; Expressions and Equations 40-54; Geometry 78-100; Probability & Statistics 101-108 (Answers & Standards Correlations to follow warm-ups)

**Go Math** resources can be found online. Suggest using the sections aligned with the above standards (if not used during the school year) or the “Are you Ready” Sheets for each Module.
