

7, 8, And 9 Grade Prep Courses

All **current** 6th, 7th, and 8th grade middle school students will have an opportunity to self-enroll into free math prep courses. Students will see a grade; however, the intention is to prepare them for their next level of math and will not go onto their transcript.

You can learn at your own pace, anytime, anywhere. The following courses will be available for students to self-enroll.

<input type="checkbox"/>	<u>Name</u>
<input type="checkbox"/>	WCSD Prep for Math 7th grade
<input type="checkbox"/>	WCSD Prep Math 8th grade
<input type="checkbox"/>	WCSD Prep for Algebra I
<input type="checkbox"/>	WCSD Prep for Geometry

1. Sign into Edgenuity

Students click on Edgenuity from our Students & Parents webpage. Students and Parents

2. Self-Enroll into Prep Courses once signed into Edgenuity

Students click on Edgenuity from our Students and Parents webpage. [Students and Parents](#)

3. How to Self-Enroll into The ACT strand/s of your choice once signed into Edgenuity

Once signed in, a notification in the header will ask student to click on the plus symbol to the right of their name in top right corner. Students join courses voluntarily by selecting Enroll.
