

Gerlach K-12

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

By the third and final assessment window of i-Ready, 90% of students will show typical growth or better in math as measured by data from the i-Ready Diagnostic.

To support students to achieve this goal, we will:

1. Work with teaching staff to schedule daily opportunities for students to work productively in i-Ready to support math education with individualized, meaningful content.
2. Contact Curriculum and Instruction (C&I) for support with the program (training, reports, etc.) as needed.
3. Provide families a framework for understanding i-Ready information.

Student, Staff, and Family Partnerships Goal

By spring of 2024, Gerlach K-12 will have one alternative learning opportunity per month in the form of guest speaker or field trip to increase student knowledge.

To support students and families to achieve this goal, we will:

1. Locate and invite new and old stakeholders onto campus as part of planning enrichment opportunities. Reach out to the broader community to engage in enriching off-campus experiences.

Resources for Parents and Families

Quick Tips for Parents and Families

Get involved! Contact Stacey Black for information about volunteering with our school.

Stay connected! Let the front office know if your phone number, email, or home address has changed.

Know your child's teachers! We are here to support your child's learning journey.
