

Hi Everyone,

Our Parent Handbook/Calendar that is a paper version has been picked up if you are a distance learner and if you are an in building learner parent, you'll be receiving it when your students bring it home tomorrow night.

Please know that the calendar was created BEFORE we found out that we were starting a week later, with COVID rules, etc. There are several items in the handbook that are outdated or incorrect, however there are some things that still align.

One of the first items that is incorrect is Back to School Night. Since we started a week later, and tomorrow will be our first day of school, we are moving all Back To School Nights back a full week. They will also be done virtually. All teachers will be reaching out to you with details on how to attend a virtual Back to School Night.

Here is the actual schedule of when your VIRTUAL Back to School Night (30 Minutes) will be held:

Tuesday, August 25th:

- 1st Grade @ 5pm
- 2nd Grade @ 5:30pm
- 3rd Grade @ 6:00pm

Tuesday, September 1st:

- 5th Grade @ 5:00pm
- Kindergarten @ 5:30pm
- 4th Grade @ 6:00pm

More information will be coming later, but I didn't want anyone looking at the calendars and showing up tomorrow night. All of our Back to School information will be given virtually this year.

Thank you for your flexibility, understanding, and patience as we move forward into our 20-21 school year.

In building families: I have also attached the most CURRENT self screener. Please make sure to utilize the self screener EVERY day before sending your students to school.

Sincerely,

Principal Bryan
