

Good evening Brown family, this is Angie Bryan.

I hope you are staying safe in these uncertain times.

The health and wellbeing of your student is very important to me and all of our school staff. I know some of you have concerns about your child physically returning to a school building. To help me plan for the safe return of students, I would very much appreciate knowing your plans.

With this in mind, we will be calling you Thursday evening, July 16th between 6pm and 7pm. That call will allow you to indicate if your student is intending to return full time in the building, undertake full distance learning through Brown Elementary, or pursue another option. (An example of pursuing other options would be to enroll in Northstar Online, or any other home school program, and/or online education program that is not associated with Brown Elementary.)

This information is important to me. It will allow me to work with my school team to make sure all of our students receive the support they need and the best possible education.

I know these times are challenging and unpredictable, but I do hope that you will answer when you receive this call, so you can complete your option. The questionnaire will be brief and will take no more than 5 minutes to indicate your choices.

If you have concerns after you take the poll, please email me at abryan@washoeschools.net.

Thank you and have a good evening.

Principal Bryan
