

Good Evening Brown Families,

I have two important items that I needed to share tonight.

Apex Update:

- I'd like to give you all an update on our APEX fundraiser. All of you have already helped us raised over \$500 per Remix unit, this triggered the first Principal Challenge. Students were very excited! I attached the photos. We also have two videos. The challenge was to duct tape Principal Bryan and then be sprayed with Silly String. Please share the attached videos to your students:
- Duct tape video:

- Silly String video:

- We are now trying to reach the \$1,000 mark, that Principal Challenge is that I'll get 'painted'... by a group of students...

WCSD Hot Lunch Program:

- Our district's hot lunch program. We were just notified this morning that our district was approved by the Nevada Department of Agriculture to provide free meals to all students through December 31, 2020. With this approval, the Nevada Department of Agriculture is allowing our district to go back and claim any meals that were already provided as of **September 1st** for free.
- **What this means is, effectively immediately all meals served to all students are free through the end of December.**
- WCSD Nutrition Services will be working to place funds back into student accounts who may have purchased a paid meal in September.
 - Families may choose to save the funds for when the waiver expires, or request a refund via the Refund Request Form on the Nutrition Services website:
 - <https://www.washoeschools.net/Domain/69>
 - WCSD Nutrition Services will also be expanding the distance learning sites and times, more information regarding those next week.

Sincerely,
Principal Bryan
