You are the conductor and need to know where all the instruments sit. Using the following colors, shade each section in the appropriate color.

Strings =blue

Percussion=Red

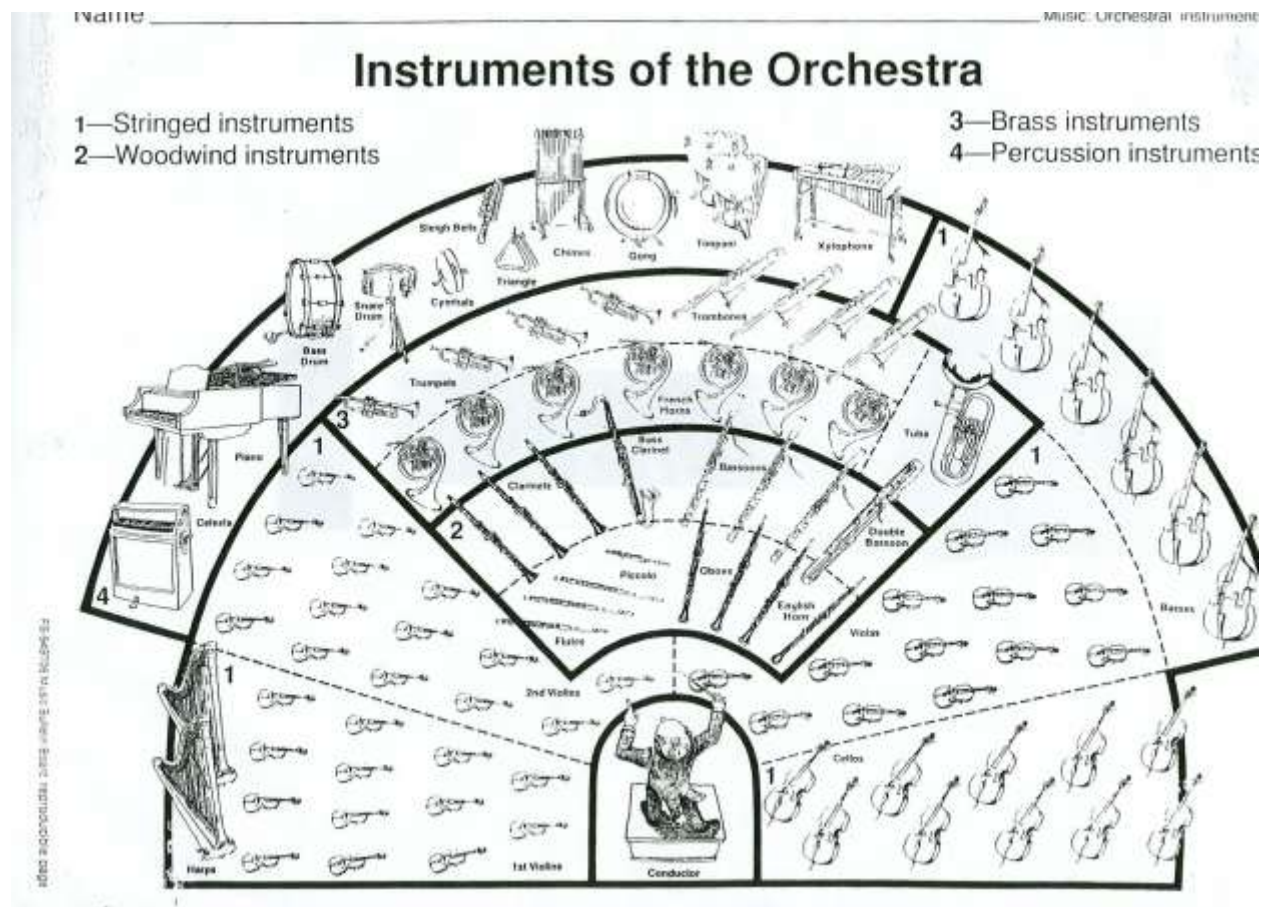

Woodwind= Green

Brass= Yellow

Directions for Labels

The percussion and timpani sit at the very back row of the orchestra. The harp occupies the smallest space and the 1st violins sit at the front next to the harp. The 2nd violins sit in the space next to the 1st violins. The violas are the next section to your right. The section directly to your right are the cellos. Behind the cellos sit the double basses.

The woodwind sit directly behind the 2nd violins and violas. The brass sits behind the woodwinds. The percussion instruments are in the very back of the orchestra.

Please think about middle school next year. You are required to pick a string instrument, band instrument, or choir. Please write a letter to me telling me what instrument (or voice) you are choosing. Your letter must include:

- The name of the instrument/choir
- Why you want to play that instrument/choir
- What you know already about that instrument/choir
- What family the instrument is in (for choir put voice)
- Who you know who plays that instrument/choir already
- What instrument did your parent/guardians play when they were in school

Please write your letter below.
