

## Assistant Principal Laura Gingerich

I began my career as an Assistant Principal at NVHS in 2015. Being in charge of Athletics and Buildings and grounds gives me great pride. I am a huge advocate in students being involved in something extra-curricular during their high school years. Prior to being at NVHS, I taught English at Mendive Middle School for 14 years. My husband and I have two sons. Our oldest is currently a US Marine and the youngest is attending Washington State University. I enjoy running, camping, and traveling all over the world!
