Why am I assigned this form?

High School Check: These questions are mandatory to determine the registration requirements of each student.

NIAA Tryout Checklist: This form is required by the NIAA for each student. It includes acknowledgements of rules, sportsmanship, and concussion information.

Transfer Form: This information will determine the student's transfer type and the corresponding requirements.

Transfer Information: Due to your student's attendance in another school over the past 12 months, basic information regarding your student's transfer is required.

Upload Transcript: The student's transcript is required to prove academic eligibility.

Upload Document of Abandonment: Because you stated that you vacated the previous residence, you will need to provide a document proving that you have done so.

Proof of Current Address: You will need to upload two items proving your current address.

Submit Confirmation

Are you sure you would like to submit these forms? You will not be able to edit your answers after this point.

Your forms will need to be verified by your school's administration/the NIAA. Once these forms are reviewed, you will receive an email informing you if these forms have been approved. Until then, you will be redirected to begin the registration process for your selected sport(s).

OK Cancel

28. Confirm you are ready to submit registration/transfer by clicking "OK" on the popup. Once "OK" is clicked the registration/transfer is submitted to the school and no more changes can be made at this time.

Step ONE: The school will review the registration/transfer. It will either be accepted; need more information; OR it will be submitted to the NIAA. If additional information is needed, the school will contact you by email (using the email address used to setup the Register My Athlete account) or by phone.

Step TWO: If the school submits it to the NIAA, it will be reviewed again for completeness. If additional information is needed, you will be contacted by EMAIL only; using the account email address again. Once the transfer is submitted to be reviewed (status "Under Review") it will be reviewed in the order in which it was received (completed). It can take up to 10-business days (or longer at the beginning of the season) for a decision to be made.
