*****How do I get my locker belongings, yearbook, cap and gown, etc. and return school items?*****

Starting May 27th, we will hold material/belonging pick up/drop off days. These pick-up/drop off days will last for 3 days to enable us to have seniors pick up their belongings while we continue to be safe and socially distance. Students can also drop off textbooks, library books, uniforms etc. Students will come to NVHS, stay in their cars and drive around our building to pick up/drop off various things at different stations around the building in our parking lots. Pick up days will start at 9am and run until 1pm each day.

Senior (only) Pick up days

Wednesday, May 27th – Students with the last name A through H will pick up

Thursday, May 28th – Students with the last name I through O will pick up

Friday, May 29th – Students with the last name P through Z will pick up

On these days the following items can be picked up:

Belongings from your locker(s) – We have cleaned out all belongings from both the academic and athletic locker. We will have your belongings ready for pick up.

Yearbooks - (If you would still like to purchase a yearbook, Online sales are available through our school's website.)

Textbook Refund

Caps and Gowns – Please be sure to have paid all fees in order to pick up your cap and gowns.

NVHS staff will be on hand to help deliver materials to your car as you drive around to the various pick up stations.

*For students who are not able to get to school to pick up their materials please contact your counselor and we will create another plan. During the pick-up/drop off process we ask that all parents/guardians and students stay in their car. Please have your student's name ready and on a sign if possible, and NVHS staff will come to you to deliver belongings/materials.
