Your student's absences from school were reported to the WCSD Attendance Officer and are being investigated. The student and/or parent/guardian have promised an improvement in school attendance by signing this contract. The student's attendance will be monitored for 20 school days from the day of signing.

If there are no unexcused or excessive absences from school during this period of time, we will close our file. Should the student have any unexcused or excessive absences during the 20-Day Attendance Monitor, the student/family will be referred to WCSD Intervention Department for further investigation.

This 20-day Attendance Monitor will be:

Start Date: ___/___/___ through End Date: ___/___/___

Failure to successfully complete the 20-Day Attendance Monitor may result in a mandatory appearance at the WCSD Student Attendance Review Board (SARB) and/or cause a Habitual Truancy Citation and referral to Washoe County Department of Juvenile Justice. Should a SARB be required, you will receive sufficient notification to make arrangements to attend.

Thank you for your cooperation.
