**ARTICLE 9
EMPLOYER RIGHTS**

- 9.1 The School Trustees and the Association share a joint concern that the membership of the Association shall continue to enjoy a professional status within the community at large. - 9.2 The Association and the School Trustees jointly recognize and accept Chapter 288 Nevada Revised Statutes, otherwise known as the Local Government Employee-Management Relations Act, and its provisions and amendments as a guarantee of the professional status of the Association. Nothing in this Agreement is to be construed to deny the School Trustees the rights granted to it by the Statutes of the State of Nevada.
- 9.3 The School District reserves the right, except as limited by this Agreement, to direct its employees, to hire, promote, classify, transfer, assign, retain, suspend, demote, discharge or take disciplinary action against any employee; to relieve any employee from duty because of lack of work or for any other legitimate reason; to maintain the efficiency of its governmental operations; to determine the methods, means and personnel by which its operations are to be conducted; to take whatever actions may be necessary to carry out its responsibilities in situations of emergency, as stated in Chapter 288, Nevada Revised Statutes.

Such certification must be gathered through a secret ballot process conducted jointly by the Association building representatives and school administration.

**ARTICLE 10
GENERAL SAVINGS AGREEMENT**

- 10.1 In the event that any provision of this Agreement, or any application thereof, is held contrary to law by a court of competent jurisdiction or by the Employee Management Relations Board as specified in Section 288.130 Nevada Revised Statutes or invalidated by reason of any existing or subsequently enacted legislation, then such provision or application, shall be null and void,

but all other provisions or applications will continue in full force and effect. The parties will meet no later than twenty (20) days after any such holding for the purpose of re-negotiating the provision or provisions affected. (2015)

ARTICLE 11 ADMINISTRATION OF AGREEMENT

- 11.1 The Superintendent or his/her designated representative shall meet with representatives of the Association as requested by either party to review specific matters of mutual concern regarding the administration of this Agreement. Resolution of problems before they become grievances shall be one of the purposes of such meetings. This Article is not intended to circumvent the grievance procedure.

The request for a variance must be submitted to the Superintendent and to the Association Board of Directors for approval by May 1 preceding the school year in which the requested variance will take effect. All requests for variance must state the specific article of the agreement and explain what the school is considering that might violate this provision of the agreement. The request must also state the period of time for which the variance is needed. A variance may be granted for no more than one (1) year at a time. Schools wishing to renew the variance must reapply by May 1.

In order for a school to be considered for a variance, there must be certification that three-fourths of the school's faculty has approved the variance request. Such certification must be gathered through a secret ballot process conducted jointly by the Association building representatives and school administration.

- 12.5.1.1 If an employee feels that he/she has a grievance, he/she shall first discuss the matter informally with his/her principal, supervisor, or an administrator to whom he/she is directly responsible and may request the presence of that school's Grievance Representative, another faculty member, or another member of the bargaining unit. The administrator shall be informed as to the nature of the problem, in writing, prior to this meeting being established.

- 12.5.3.2 Within eight (8) days after receipt of the grievance by the Talent Office, the Superintendent or his/her representative shall meet with the aggrieved person for the purpose of resolving the grievance. When requested by either party, a full transcript of the Level Three hearing shall be kept. The cost of such transcript shall be equally shared by both parties. The Superintendent shall within five (5) days after the hearing render his/her decision and the reasons therefore in writing to the aggrieved person, the principal, supervisor, or appropriate administrator, Associate Chief and the Association.

In the event representatives have been excluded by the aggrieved, the Superintendent shall confer with Association representatives prior to the issuance of his/her decision.

12.5.4 LEVEL FOUR - ARBITRATION

- 12.5.4.1 If the aggrieved is not satisfied with the disposition of the grievance at Level Three, the Association may, within ten (10) days of the Superintendent's decision, notify the Superintendent in writing that the Association wishes to take the grievance to arbitration.
- 12.5.4.2 Within five (5) days after written notice of submission to arbitration, the parties shall jointly request the American Arbitration Association (AAA) to furnish a list of seven (7) arbitrators from which the arbitrator shall be selected. Such selection shall be accomplished by the Association and the District each striking one (1) name from the list in turn until one (1) name remains. The order of striking shall be determined by coin toss with the winner of the coin toss making the decision on who will initially strike the first name. The final selection of the arbitrator shall be made within five (5) days following receipt of the list of arbitrators. The arbitrator will be notified by the parties within five (5) days of the selection of the arbitrator.
(2015)
- 12.5.4.3 The arbitrator so selected shall confer promptly with representatives of the Superintendent and the Association, shall review the record of prior hearings with the aggrieved and such other parties in interest he/she shall deem requisite, and, unless extended by mutual agreement, shall issue his/her report not later than thirty (30) days from the date of the close of the hearing.
- 12.5.4.4 In the event an employee(s) covered under this Agreement exercises the right to individually process a grievance without assistance from the Association, the School District shall provide the Association:

- 12.5.4.6 The right to individually process a grievance is permissible provided it does not violate any provision of Chapter 288 of NRS.
- 12.5.4.7 The parties agree that the Association is not financially responsible for the costs of an arbitration matter pursuant to Article 12 when the Association does not represent an employee or employees in arbitration. (2011)
- 12.5.4.8 All hearings held by the arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings.
- 12.5.4.9 The arbitrator's decision shall be submitted in writing to the aggrieved, the Superintendent, and the Association only, and shall set forth his/her findings of fact, reasons, and decision on the issues submitted. The arbitrator's decisions shall be binding except as provided in Section 12.5.4.6 and shall be consistent with the law and with the terms of this Agreement.
- 12.5.4.10 The Board of Trustees agrees to the binding arbitration of grievances as specified in the preceding section. However, in the event that the arbitrator's award would cost the School District in excess of 1/2 cent on the tax rate for any one (1) specific grievance or one (1) cent on the tax rate in the aggregate (more than one (1) grievance during the term of the Agreement, then the Board of Trustees shall have final authority in the resolution of the grievance and the arbitrator's decision shall be advisory only.

However, the Superintendent shall have an additional five (5) days, or a total of ten (10) days, within which to issue his/her decision. If a decision for a grievance filed initially at Level Three has not been given after twenty-five (25) days from the date filed, the aggrieved may notify the Talent Office and the Superintendent in writing that the grievance will be taken to arbitration.
- 12.7.2 Decisions rendered at all levels of the formal grievance procedure shall be in writing on, or attached to, the appropriate form, and shall set forth the decisions and reasons therefore.

Instructional (student) day means the period from when the first school bell rings until the last school bell rings. (2019)

Secondary teachers shall have a seven and half (7.5) hour contract day. Secondary teachers shall be required to report no earlier than fifteen (15) minutes before the start of the employee's first scheduled class period (including preparation periods).

The start and end time for nurses will be based on the school/site/assignment of the individual nurse, based on a 7 ½ hour contract day.

Elementary teachers shall have a seven (7) hour contract day. Elementary teachers (and itinerant educators assigned to elementary schools) shall report to school no more than thirty (30) minutes before the start of the instructional (student) day. The elementary duty day shall conclude no more than thirty minutes after the instructional (student) day. Any deviation from the instructional (student) day must be included in the School Improvement Plan and approved by the Associate Chief. To allow for greater access for parental contact, no duty shall be assigned prior to fifteen (15) minutes before the instructional (student) day, except with the consent of the teacher. Faculty meetings may commence earlier than fifteen (15) minutes prior to the start of school (contract day) based on a 2/3's vote of the entire faculty.

- 18.2 Employees may be required to remain after completion of the school day without additional compensation within the following limits:

18.6.2 Licensed educators may be requested to substitute:

1. when the absent teacher is involved in a school or School District-related activity;
2. when the absent teacher is on an approved leave covered by this agreement and a substitute would be required;
3. when the absent teacher needs time off for a reason approved by school administration.

18.6.3 Compensatory time will be earned at the rate of one (1) period for each period covered.

18.6.4 With reasonable notice and prior approval by the school administration, a teacher may take no more than two (2) full-days of compensatory time off during the school year. Licensed educators who elect to use compensatory time off on a single period basis will not have this time off count as time used on the two (2) full-day limit.

18.6.5 Compensatory time must be earned before used. The number of periods earned may be used by the licensed educators on a period, one-half day, or full-day basis. One (1) day equals the number of periods licensed educators are required to teach each day in that particular school. One-half day equals three (3) periods.

18.6.6 At the end of December and June, any teacher having time accrued shall be compensated for the time earned at \$40.00 per hour. Any teacher may elect to carry over no more than one (1) full-day of comp time to be used in the next school year. Teachers will be compensated for actual time they have worked. For the hours accrued through the end of December, the teacher can choose the amount of hours to be compensated, if any. Time worked shall be calculated in 30-minute block increments.

18.7 SUBSTITUTE ABSENCES

18.7.1 When a teacher is assigned to substitute for another teacher (when substitute teachers are unavailable), the value of the cost of the substitute base pay will be paid to the assigned teacher. In a team teaching situation when one team member is absent and no substitute teacher is available, and the present team member is assigned to substitute for the absent team member, the value of the cost of the substitute pay will be paid to the present team member. In team situations, when one team member acts as a substitute for another absent teacher's class, the value of the one (1) substitute shall be split evenly between both team members and no more than the value of one substitute may be allocated to that classroom. (2019)

- a. Substitute pay can be split four ways if students are split between existing classes;
- b. All licensed educators are eligible to receive substitute pay;

Professional Learning Communities (PLC) and staff meetings shall not be considered preparation time.

19.2 The School District will provide at least forty-five (45) minutes per 7-1/2 hour work day to be used by middle and high school teachers for classroom preparation. The principal, assisted by the appropriate Assistant Superintendent, shall attempt to develop schedules which will permit preparation time to be continuous. If, however, in the opinion of the principal, such schedules are not feasible, the preparation time may be non-continuous. Preparation time should generally be scheduled during the student's contact day.

For block scheduled schools, prep time of 90 minutes every other day will be provided.

An employee who accepts an assignment for an extended period of time to teach during his/her prep period will be compensated at the hourly rate of \$40.00. (2019)

In case of emergency, the teacher may be assigned other duties during his/her preparation period if the volunteer list as defined in Article 18.6 has been exhausted. The assignment of teachers through this article shall be on a rotating alphabetical basis.

Every reasonable effort will be made to schedule at least 150 minutes during the contract work week wherein elementary school (PreK-5) special education classroom/resource teachers can work on IEP planning and implementation in order to fulfill their responsibilities under both federal and state law.

The Department of Specialized Instruction, Special Education Administrators (SEAs) are committed to work with and assist the administrative and teacher staff at their assigned elementary schools to identify schedules that need improvement in order to facilitate special education teachers in those schools getting the time as described in the immediately preceding paragraph. Contracted Days x 15 days sick leave = sick leave days earned

21.6 PERSONAL BUSINESS LEAVE

Upon reasonable prior notification to the principal/supervisor, three (3) days of personal business leave shall be granted each year, two (2) to be deducted from accumulated sick leave and the other with substitute's pay deduction at the prevailing rate provided the personal business indicated cannot be taken care of outside of school time and when the personal business is such that it will not reflect adversely on the School District.

This leave shall not be granted during the first and last weeks of school unless approved by the principal/supervisor. This leave, however, may be used during the last week of school should the teacher be enrolled in a class to be used for professional growth.

21.7 ADOPTION LEAVE (SHORT-TERM)

Upon reasonable prior notification to the principal/supervisor and documentation, if requested, one (1) parent who is adopting an Infant shall be permitted to use up to three (3) weeks of accumulated sick leave for adoption leave. (1998)

21.8 PERSONAL LEAVE

Upon reasonable prior notification to the principal/supervisor, two (2) days of personal leave shall be granted each school year; one (1) day of personal leave with pay, and one (1) day deducted from accumulated sick leave. (1998)

No more than 15% of a school's staff or the School District-wide nursing staff shall be on personal leave on the same day. 21.9 ABSENCE WITHOUT AUTHORIZATION

21.9.1 Any absence without authorization shall be grounds for disciplinary action. Any unauthorized absence for three (3) consecutive school days constitutes an abandonment of position and may be treated by the Board of Trustees as a resignation and the provisions of the Professional Practices Act shall not apply.

21.9.2 If the employee is unable to contact the School District to request a leave of absence during the three (3) day period, such absence shall not constitute an abandonment of position.

EXTENDED LEAVES OF ABSENCE**

22.1 LEAVES WITHOUT PAY

- 22.1.1 Upon submission of the proper leave of absence form to the Talent Office, any post-probationary employee may request, upon showing good and sufficient reasons, a leave of absence without pay for one (1) year or more. Such leaves are subject to the approval of the Associate Chief or Deputy Superintendent, the Talent Office upon notification of the principal/supervisor. Leaves of less than one (1) year may be approved by the Associate Chief or Deputy Superintendent, the Talent Office. Applications for leaves of absence shall be submitted no later than April 1. In extenuating circumstances, applications submitted after April 1 may be approved by the Associate Chief or Deputy Superintendent, the Talent Office. (2007)
- 22.1.2 Written notice must be filed with the Talent Office by March 1 of the year in which leave is effective, stating whether or not the employee plans to return. Failure to give such notice will automatically forfeit the right of the employee to return. The Associate Chief or Deputy Superintendent, the Talent Office may, at his/her discretion, approve the leave for an additional period of up to twelve (12) calendar months if unusual or extenuating circumstances are demonstrated. (2001)
- 22.1.3 The request to extend the leave of absence must be made not later than March 1 of the year in which the leave is effective. After March 1, in cases of extreme emergency, a leave may be extended with approval of the Associate Chief or Deputy Superintendent, the Talent Office. (2001)
- 22.1.4 Employees granted a leave of absence will return to duty at the same status on the salary schedule, unless the employee has qualified for advancement, as shown at the date leave was granted. He/she shall also be credited with the unused sick leave accumulated at the time the leave of absence was granted. Upon return from a leave of absence of one (1) year or less, every effort shall be made to place the returning employee in the same building, grade or position. (2001)
- 22.1.5 Should a leave of absence extend beyond one (1) year, the employee's position at the site may be filled with a standard contract. While every effort shall be made to place the returning employee in the same building, grade or position, if this is not possible, the employee shall be entitled, upon return from the leave, to a position for which he/she is qualified to teach. The employee shall have the opportunity to transfer, and if that does not occur, will be placed with overages. At the time of the approval of the leave, the School District shall inform the employee whether his/her position will be filled with a standard contract or a one-year-only, at which time the employee may rescind his/her request for the extended leave. (2001)
- 22.1.6 Any leave without pay which would result in a gross monthly pay of no less than one-half its usual amount will be deducted from pay in the next pay period. An unpaid leave of absence which, if deducted in one pay period, would result in a gross monthly pay of less than one-half, will be treated as a contract payoff for the time worked prior to the leave of absence. The employee will be in an unpaid status for the remainder of the period of leave of absence. Upon return from leave of absence, the remaining days to be worked will be calculated, and monthly pay for the remainder of the year will be established. (2003)

22.2 SABBATICAL LEAVE

- 22.2.1 Upon proper application to the Talent Office, a Sabbatical Leave of Absence of one (1) school year duration may be granted for completion of advanced program of study in the employee's area of specialization or an allied employment field. The application requires (if applicable): (2007)

Employees must substantiate the benefit of Sabbatical Leave to the School District and must describe the nature of the course of study.
- 22.2.4 If an employee receives a grant, scholarship, fellowship, job study program, or other academic award, after March 1, but not later than August 1, of a school year, the Superintendent shall consider the request for Sabbatical Leave provided the number of employees approved for Sabbatical Leave has not already exceeded the 1/2 of 1% limitation. (2001)
- 22.2.5 Salary will be one-half (1/2) of the employee's annual rate in effect during the Sabbatical Leave year exclusive of any extra duty pay, etc. While on leave the employee shall furnish a surety bond indemnifying the School District against loss in the event the employee fails to render the minimum service required after return from leave. If the employee does not wish to furnish a surety bond, payment of Sabbatical Leave salary is to be made in twelve (12) monthly installments added to the salary received by the teacher during the year following the year in which the Sabbatical Leave is taken. That portion of the group medical insurance premium normally paid by the School District shall be continued during the Sabbatical Leave, but no other employee benefits shall be paid during the period of the Sabbatical Leave. The Sabbatical Leave shall count for a year's experience as if the employee were not on a leave of absence.
- 22.2.6 Employees must agree to return to the School District and complete a minimum of two (2) school years following Sabbatical Leave and must submit a report which describes and evaluates the Sabbatical Leave and includes transcripts or other documentation evidencing the completion of the advanced program of study. The employee shall return to the same building, grade and position that he/she held prior to the Sabbatical Leave, unless he/she invokes the transfer process. (2007)

- 22.3.3 No benefits shall accrue to the employee while on a child-rearing leave, except that the employee shall be credited with one (1) year of service for salary advancement if he/she taught the major portion of the school year at the time such leave commenced. Upon return, the employee shall be credited with any accumulated unused sick leave.
- 22.3.4 In the event the employee is on probation, the year will be counted towards completion of the probationary period provided he/she taught the major portion of the school year at the time the child-rearing leave commenced.
- Every effort shall be made to return the employee to the same building, grade or position. (2001)

22.3.6 In the event an employee is on a child-rearing leave and becomes unable to perform his/her duties due to injury or illness related to childbirth and/or child rearing as verified in writing by his/her physician, he/she may have the option of charging such period of time to his/her accrued sick leave. Upon termination of such injury or illness, the teacher may continue his/her child-rearing leave.

22.3.7 Upon written application showing unusual and extenuating circumstances necessitating extended child-rearing leave, the Associate Chief or Chief Talent Officer, at his/her discretion, may extend the leave for an additional period up to twelve (12) calendar months. (2001)

23.1.1 A total of up to eighty (80) days leave without loss of pay during a school year, July 1 to June 30, when there is not a Regular Session of the Nevada Legislature; and up to one hundred (100) days leave without loss of pay during a school year, July 1 to June 30, when there is a Regular Session of the Nevada Legislature, is granted for Association business. (2019)

23.1.2 The Association President may have six (6) years of absence with pay. In the event the President takes six (6) years of absence with pay, the Association shall reimburse the School District for the President's salary and retirement contribution. The Association President shall not take more than six (6) years of leave of absence during the term of this Agreement. The President shall notify the School District forty-five (45) days prior to the commencement of the leave. Upon completion of the leave, the School District will make every reasonable effort to return the President to the position he/she formerly held (building, grade, and subject(s)). However, the School District is not obligated to hold the Association President's former position with the District (i.e., the specific school grade/subject level). The School District shall continue payment of Group Insurance benefits.

23.1.3 The total number of compensable days during each year of the WEA President's Association leave of absence shall increase from one hundred eighty-five (185) days to two hundred twenty-five (225) days. Any salary match funded by the State and received by the School District will be passed through to eligible employees as a lump sum payment, based on the number of budgeted eligible positions and the amount of reimbursement from the State. The State's salary match is only funded for FY2024 and FY2025. Therefore, any additional compensation funded through this State salary match program will end on June 30, 2025.

24.2 SALARY SCHEDULE NOTES

24.2.1 Occupational Education Teacher Placement

24.2.1.1 A non-degree teacher who holds an occupational endorsement will be placed on the TA column of the Teachers' Salary Schedule. These teachers may receive experience credit for job-related work experience (not to exceed 5 years) over and above that required for licensure provided that such experience is at the journeyman or managerial level or above and is progressively responsible in nature, including supervisory responsibilities. The TA column will have ten (10) steps. The base salary for TA will be one professional growth increment less than the base for column TB. The experience increment will be equal to those of the other columns.

24.2.2 In order to advance beyond Step 4, a Class I employee must have ninety (90) units or more.

Employees reentering the School District, except nurses, will be allowed credit for previous teaching experience while they were employed by the School District providing the employee shall not have been absent from public school employment more than ten (10) years. The School District agrees to continue its current practice with regard to credit for other Nevada service, outside Nevada service, and military service pending the outcome of litigation.

24.2.3 A teacher hired on a regular contract will be given two (2) years credit for teaching in a single, non-public school provided the following conditions are met:

1. The teacher was certified or licensed as a teacher by the state in which he/she taught and at the time the experience was gained.
 2. The experience was in a school licensed by the state.
 3. At least eighty percent (80%) of the teaching experience in a given year was in subjects commonly taught in the public schools.

- 24.2.4 When a Masters Degree program requires more than thirty-five (35) credits, credits in excess of thirty-five (35) will be eligible to use as education credits to move over columns on the salary schedule. For example, if a Masters Degree program requires forty-five (45) credits, only the first thirty-five (35) would be necessary for placement on the salary schedule column TE. The remaining ten (10) credits would be additional credits and be applied to column TF and beyond.
- 24.2.5 Commencing with the 1993-94 school year, a nurse hired on a regular contract shall be given up to five (5) years credit for all experience as a licensed registered nurse. Nurses currently employed shall be granted up to five (5) years credit for the 1993-94 school year.

1. Experience in the above non-public school areas must have been substantial and focused in the particular area.
 2. Credit for such experience shall not be retroactive; however, currently employed nurses with such experience will be moved to the appropriate step giving credit for such experience.
- 24.2.7 Education credit to advance on the salary schedule may be completed at any time. If submitted to the Talent Office by the first (1st) workday of the month, then the employee will be moved to the appropriate column in the next available pay warrant.
- 24.2.8 It is the sole responsibility of the employee to ensure verification of military service and transcripts verifying units for advancement.
- 24.2.9 In addition to the salary shown, the School District pays an additional legislatively designated amount on behalf of the employee for retirement benefits to the Public Employees Retirement System. (2003)
- 24.2.10 Except as provided in Section 24.2.11, approved credits may include, but not be limited to, credits in undergraduate and/or community college classes related to employment assignments, duties, or retraining. In-service credits for salary advancement and approved undergraduate credits for classes TF and TG will require prior approval by the School District In-service Committee. (2003)
- 24.2.11 Graduate credits in addition to those required for a Masters degree or Masters Equivalency will be credited for salary advancement beyond column TE, within the following guidelines: (2003)
1. Credits earned while enrolled in a graduate program, but in excess of the actual Masters Degree credits, when the Masters degree was earned in 1997 or later.

The stipend shall be awarded as follows:

In schools where the English Language Learner enrollment is 13% or more the total amount of bilingual stipends paid by the district each year is subject to an annual cap of \$45,000. In order to be eligible for the stipend, teachers assigned to these schools shall submit an application to the School Principal and the Chief Talent Officer for approval prior to taking the test. Applications will be approved on a first come, first served basis. Teachers who have been approved to take the test shall report test results to the school principal and Chief Talent Officer.

In schools where the English Language Learner enrollment is less than 13% the total amount of bilingual stipends paid by the district each year is subject to an annual cap of \$5,000. In order to be eligible for the stipend, teachers at these schools shall submit an application to the school principal and the Chief Talent Officer. for approval prior to taking the test. Approval will be based on the teacher utilizing his/her bilingual skills on a consistent and regular basis as part of his/her duties in the classroom or the school in any one year. Teachers who have been approved to take the test shall report test results to the school principal and Chief Talent Officer. Applications will be approved on a first come, first served basis. (2013)

24.3 MASTER'S EQUIVALENCY PROGRAM

24.3.1 The School District and the State of Nevada, through their certification requirements, have had and now have the expectation that the School District professional staff members have an obligation to pursue professional growth and increased competency in order to insure the delivery of a quality education program.

24.3.2 Many professional staff members have found that, in order to be able to enjoy the full benefits of the teacher's salary schedule, they have had to enroll in master's degree program even if that program has not represented an area of interest or ability of the individual employee. For those employees not having an interest in enrolling in such a program, the master's degree column on the teacher's salary schedule has represented a barrier to their advancement on the teacher's salary schedule, even though individual employees have continued to enroll in classes that provide increases in growth and classroom competency. Therefore, the Master's Equivalency Program has the potential of enhancing the educational program to be offered to students in the School District if a commonly agreed upon procedure is established, which will allow employees to enjoy the full benefits of the teacher's salary schedule of the School District through their continued enrollment and professional growth through University classes and in-service training programs.

24.3.3 The Master's Equivalency Program shall be used to allow movement from TD, Class IV to TE, Class V.

24.3.4 A licensed person wishing to avail himself or herself of this option must develop a proposed program and submit it to a review committee for approval. There would be two (2) committees, one (1) for secondary personnel seeking an "Approved Program" and one (1) for elementary personnel seeking an "Approved Program". The committees shall establish (prior to the beginning of each school year) a schedule to meet 4 times to review programs. The schedule shall be published through the School District and Association. Each committee will be composed of:

1. A representative from Curriculum.
2. An employee from the appropriate school level taken from a list provided by the Association.
3. A principal/supervisor from the appropriate school level but not from the school where the employee is assigned.
4. Exceptions to these requirements will be made if the applicant declares that he/she is pursuing status as a Highly Qualified Teacher in an additional academic area or area of need, as determined by the School

District and reported to the Association by October 1st of each school year, for which HQ status is not defined.

- 24.3.5 A licensed person on the teacher's salary schedule who wishes to improve his/her professional competency without earning a master's degree may move to the master's column of the salary schedule by:
1. Earning forty-two (42) semester hours of credit beyond a BA/BS degree from an accredited college or university. Effective January 1, 2004, new enrollees into the Masters Equivalency Program will be required to complete at least thirty-two (32) graduate level credits from an accredited college or university as follows:⁽²⁰⁰³⁾
 1. At the elementary level, applicants would have to take a minimum of 27 of the 32 required graduate classes in the core content areas (reading/language arts, math, social studies, science), and five elective credits in any areas, including student intern credits.
 2. At the secondary level, a minimum of 27 graduate credits would have to be in the applicant's content area, and 5 elective credits in any areas, including student intern credits.
 3. A specialty area teacher would be required to take a minimum of 27 credits in the specialty area, or in the content areas, with 5 additional elective credits.
 4. Exceptions to these requirements will be made if the applicant declares that he/she is pursuing status as a Highly Qualified Teacher in an additional academic area.

Ten (10) of the forty-two (42) semester hours may be earned outside of an accredited college or university in one of the following ways:

 - a. Accredited corporate or private school classes (subject to prior approval of the committee) with each fifteen (15) hours of class equaling one (1) semester hour.
 - b. Undergraduate classes.
 - c. A mixture of classes from Options a and b, not exceeding ten (10) semester hours.
 - d. Six (6) in-service credits (or equivalent CEU's) combined with four (4) total credits from Option a, b, or c.
- 24.3.6 All credits for options a, b, c, and d can only be utilized if earned after approval by the review committee.
- 24.3.7 The review committee can approve substituting six (6) additional undergraduate units for six (6) graduate units if graduate units are unavailable.
- 24.3.8 A person who has an "Approved Program" has a window of five (5) years to complete the approved program. Commencing with the 1994-95 school year, all graduate credits from an accredited college or university within the employee's field or certified assignment and earned, if they fall under the guidelines of Section 24.3.5, within the previous three years shall qualify. All graduate credits must coincide with the approved program. All qualifying graduate credits must have a B or better. No graduate credits earned on the pass/fail basis will be eligible with the exception of continuing education credits taken for licensure with fifteen (15) CEU's equaling one (1) graduate credit. The five (5) year window will commence either upon the date of program approval or, if previous credits are accepted, upon date of completion of the earliest credit used.
- 24.3.9 "Window" shall mean a period of time in which the total credits required by this program must be earned. Should, for example, an applicant choose to bring in six (6) credits completed a year before beginning this program, the applicant would have four (4) remaining years to complete the program. Should, for example, this applicant require an extra semester to complete his/her program, the portion of those six (6) credits grandfathered in, which were earned in the earliest semester, would not count toward the completion requirements of the Master's Equivalency.
- 24.3.10 No one will be "grandfathered" into the program.
- 24.3.11 When the committee approves a program that is to be accepted in lieu of the Master's Degree, it may require periodic reports to determine progress toward meeting the five (5) year deadline.

24.4 NATIONAL BOARD CERTIFICATION ⁽¹⁹⁹⁹⁾

- 24.4.1 Teachers, counselors, and speech/language pathologists, or school library media specialists who are awarded National Board Certification, will be provided an 8% increase over their placement on the salary schedule for the duration of the certification. ⁽²⁰⁰⁷⁾
- 24.4.2 Nurses who are awarded National Board Certification will be provided a 3% increase over their placement on the salary schedule for the duration of the certification.
- 24.4.3 Teachers who have received confirmation of their eligibility to seek certification and provide written notice to the Talent Office and their site supervisor that they are preparing for the National Board entries will be provided paid leave in accordance with the provision in Article 21 Temporary Leaves.

24.5 DAILY RATE COMPUTATIONS

- 24.5.1 The normal daily rate of pay for employees shall be computed by dividing the appropriate salary figure from the teacher's salary schedule by the number of contracted teaching days in the school year.
- Example: $\$26,042/185 = \140.77 (daily rate)

Reasons will be provided in writing, if requested.
- 26.1.2.1 During the period of time when the School District is publishing a Needs List, vacancies which occur at Washoe Innovations High School and Washoe Inspire Academy shall first be announced to currently-contracted teachers at Washoe Innovations High School and Washoe Inspire Academy.
- 26.1.2.2 Whenever possible, teachers whose learning centers are being eliminated shall be informed in the spring when vacancies are being posted for Washoe Innovations High School and Washoe Inspire Academy. Reason(s) for the closing of said center(s) shall be reduced to writing, if requested.

The Talent Office shall notify such employees of any vacancy in a position for which they desire to apply. Each employee-applicant shall receive written notification from the Talent Office as to the disposition of his/her application.

ARTICLE 27 TRANSFER

27.1 VOLUNTARY TRANSFERS

- 27.1.1 Within fifteen (15) days of receipt of final allocations by the schools each year the Talent Office shall publish a list of the vacancies which will in all probability be available for the following year including school, grade level and/or subject, and special characteristics such as half-time or one (1) year only. As additional vacancies occur, such list shall be updated weekly. Said list shall be posted on the School District's Website in the Employment section at the Eligible WCSD certified employees Job Board. (2011)
- 27.1.1.1 If a school has three (3) or more limited term teachers, the principal of the school may designate one (1) or more of the limited term teachers, who receive an evaluation of Effective or Highly Effective, as not being a vacant position for purposes of Transfer or Overage Process. (2011)
- If the position is not needed to avoid a reduction in force, the principal may then hire the limited term teacher. (2011)
- However, if a school has three (3) or more limited term teachers, a minimum of two (2) of the OYO positions must be designated as vacancies available for the Transfer or Overage Process. (2011)
- If the limited term teacher or teachers are retained, and the position would normally be a standard allocation, the teacher or teachers must be made standard. (2011)
- 27.1.1.2 If a school has one or more vacancies, the principal may be required to hold at least one (1) of those vacancies until after the Transfer Process. (2011)
- 27.1.2 Employees who desire to transfer to another building shall file a Transfer Request form on-line at the School District's website location with the Talent Office. Voluntary transfers will occur no later than three (3) weeks prior

to the first day returning teachers report to work for the particular school, except where both principals approve the transfer. Transfer requests shall remain active from January 1 to December 31 of any calendar year. (2011)

27.1.3 Commencing with the posting of the first needs list, for ten (10) working days, principals or supervisors are required to interview only transfer candidates whose applications are on file in the Talent Office. The transfer period may be for more than ten (10) days, and the transfer period may be opened for one (1) week, closed for one (1) week, and then opened for one (1) week. The only exception would be those positions (grade level and subject matter) which are impacted by overage teachers who have not been placed. Principals or supervisors must interview a minimum of three (3) employees requesting transfers (if there are three (3) or more applicants) whose applications are on file. (2011)

27.1.3.1 During the exclusive transfer period, should there be no specific requests for a particular school or subject, the principal may offer a position to a qualified candidate with the intent of achieving ethnic diversity on the faculty. The candidate must have a contract offered through the School District's Minority Educator Recruitment Program.

27.1.4 Teachers who are currently assigned to schools which are changing from a traditional schedule to a year-round schedule will have the ability to move to a school which will retain the traditional schedule. The process for placement of teachers moving from year-round to traditional will occur prior to any transfer or overage placement. The process used will reflect the process used for the placement of overaged teachers.

27.1.5 If more than one (1) employee has requested a transfer to the same position, the employee best qualified and suited for the position shall be given preference. The following criteria shall be considered:

1. State licensure in the subject area.
2. Degree(s) held.

8. Other subjective criteria peculiar to the position being sought.

27.1.6 Following the ten (10) day transfer period any employee who has a request on file may be considered for vacancies.

27.1.7 Employees who are interviewed for a possible transfer shall be notified in writing as to the disposition of their transfer request.

27.1.8 An employee who has formally sought a transfer for at least three (3) years without success may contact a Talent Office Administrator for assistance in evaluating his/her personnel file and providing, if possible, recommendations to overcome possible obstacles to a successful transfer.

27.1.9 Only teachers who are HQ for a non-SpEd core assignment are eligible to transfer into such an assignment during the exclusive internal voluntary transfer period. (2007)

27.1.10 Schools designated through the Nevada Department of Education and the US Department of Education as High Need Schools, will be eligible to fill their openings through a special exclusive transfer process earlier than non-High Need Schools. Overage teachers will not be eligible to be placed in these designated schools. This would not prevent an administrator from selecting a teacher who might otherwise be placed on the overage list. High Need Schools will be eligible to begin filling positions with external applicants earlier than non-High Need Schools. Once an outside applicant accepts a position with a High Need School, the applicant will not be eligible for transfer for that school year. (2007)

27.3.1 A directed transfer is an involuntary transfer to a different work site which may or may not include a different work assignment.

27.3.2 A reassignment is an assignment to a different grade level or subject in the same building.

27.3.3 A directed transfer or reassignment shall not be arbitrary, capricious, or punitive in nature. The employee affected by a non-performance directed transfer will be provided a list of openings available and asked to designate a list of preferred placement. The ultimate decision will be the Superintendent of the appropriate level. Should the employee not receive one of his/her preferences, reasons will be provided.

27.3.4 Prior to notifying an employee he/she is being considered for a directed transfer, the administrator's recommendation must be reviewed and approved by the appropriate Associate Chief or designee. (2007)

27.3.5 The employee shall then be advised in writing that s/he is being considered for directed transfer or reassignment and the reasons for such consideration.

27.3.6 If a conference with the administrator is requested by the employee, other parties may be present at the request of the employee or administrator.

27.3.7 If after such conference, the transfer or reassignment is still to take place, (or if no conference is requested) the employee will receive a final written notice to that effect including the reasons for the action.

27.4 MULTI-TRACK YEAR-ROUND TEACHING ASSIGNMENTS (1998)

27.4.1 Immediately following the designation that a school is being placed on a year round schedule, a committee comprised of a majority of licensed staff shall be established. This committee shall be charged with constructing a process of those areas that directly impact licensed teachers.

27.4.2 By February 1, if reasonably possible, the School District shall present all schools with the tentative teacher allocations. Employees of schools that have been placed on year-round schedules by the School District, shall be eligible to "opt out" to a school on a traditional schedule. Schools whose staff voluntarily vote to move to a year-round schedule are not eligible for the "opt out" provision. Prior to this date, licensed staff who desire to be placed in a traditional school, and are eligible for this process, shall place their preference, in writing, to the administrator. (2005)

27.4.3 An initial needs list shall be distributed to all schools in order for the licensed staff to complete their preference to transfer to a traditional school. Licensed staff who desire to transfer into a year round school from a traditional calendar shall also be given the opportunity to complete transfer forms at the same time.

27.4.4 All staff assignments (of current standard licensed staff) for the year round schools shall be finalized by April 1, if reasonably possible. Commencing after April 1, year round schools shall have the opportunity to interview OYO contract teachers and new hires. The schedule agreed-upon by the parties will contain the specific dates. (2001)

27.4.5 TRACK ASSIGNMENTS

27.4.5.1 The administrator shall have the authority and obligation to post, in writing, the number of allocations for each grade level and track.

- 27.4.8 If two teachers at a school determine they wish to exchange track assignments for the following school year, they will jointly make a written request for such an exchange to the site administrator prior to the end of the school year. The administrator shall determine if the request will be approved or denied. If a request by a teacher is denied, the administrator shall submit his/her rationale in writing. The employee may appeal this decision through the grievance procedure.
- 27.4.9 To provide for multi-track year round teachers to attend educationally related classes, conferences, workshops and meetings which have been scheduled during their track assignment, two employees may mutually agree to request approval from the administrator to exchange days within the same school year. The administrator shall determine if the request is approved or denied. If a request by a teacher is denied, the administrator shall submit his/her rationale in writing. If a request is approved, the employees shall give their administrator written confirmation of their agreement.

A request from two employees to exchange days for a purpose other than professional development must be approved by the Associate Chief or designee. (2003)

27.5 APPEAL OF DIRECTED TRANSFER OR REASSIGNMENT

- 27.5.1 An employee wishing to appeal a directed transfer or reassignment shall start at Level II of the grievance procedure.

ARTICLE 29 PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

- 29.1 The parties support the principle of continuing training of employees, participation by employees in professional organizations in the areas of their specialization, and professional affiliations; leaves for work on advanced degrees or special studies; and participation in community projects.
- 29.2 It is currently federally mandated that all teachers be highly qualified in their assignment areas under No Child Left Behind and state requirements by June 20, 2006. Funds from federal sources and from fees charged pursuant to Article 30 will be used to pay for appropriate courses and test registration fees for teachers to become highly qualified.

The In-Service Training Committee will determine the criteria and process for teachers to access these funds. The process and funding will be in place within two (2) months of ratification by the parties, and will sunset June 30, 2006. (2003)

ARTICLE 30 IN-SERVICE TRAINING

- 30.1 The School Trustees and the Association agree that a need for continuing emphasis on professional growth and in-service training for all professional staff exists within the School District. Such professional growth and in-service training should be predicated toward the goal of: Insuring high professional and employee competency; encouraging employees toward the attainment of high, optimum individual self-realization; and the promotion of an alert and progressive educational spirit in the School District. So as to attain these objectives, an In-Service Training Committee is hereby established. This committee shall consist of three (3) members appointed by the Association and three (3) members appointed by the School Trustees. The parties agree that one (1) member shall be chosen from the elementary, one (1) from the junior high school, and one (1) from the senior high school. The committee shall have the authority to appoint ad hoc committees as deemed necessary.
- 30.2 The purpose of this committee shall be to review the existing professional growth program heretofore in effect in the School District and to make recommendations to the School Trustees not later than April 15, of the current year with a copy to the Association.
- 30.3 At the request of the Association with notification to the In-Service Training Committee, and with approval of the School Trustees, arrangements shall be made for courses, workshops, conferences, and programs designed to improve the quality of instruction.
- 30.4 Every effort will be made to obtain people of the highest qualifications to participate in the presentation of such programs.
- 30.1 In the event the School District requires the attendance of employees at workshops which are conducted after normal working hours, in-service credit towards salary advancement will be credited to such employees on the following basis:

15.00 workshop hours = 1 salary credit
7.50 workshop hours = 1/2 salary credit

- 30.2 Effective July 1, 2004, a \$25 fee may be charged to employees voluntarily attending in-service classes offered by the School District. (2003)

ARTICLE 31
REDUCTION IN FORCE/OVERAGE PROCEDURE

31.1 OVERAGE PROCEDURE

31.1.1 In the event that a school will experience a reduced number of allocations which will result in an overage situation, the following process shall be used.

31.1.1.1 Principals shall review allocations, known resignations, leaves of absences and retirements. In the secondary schools, principals shall identify overage teachers within each subject area. In the elementary schools, the principals shall identify overage teachers in grades K-6, inclusively.

31.1.1.2 Principals shall first begin by asking for volunteers. If through requesting volunteers an overage situation still exists, seniority within the School District shall become the basis for identifying the overage teacher. (Article 31.2.10) In the event two or more teachers have the same seniority date and one (1) of the teachers must be overaged, the determining factor to decide which employee will be overaged, shall be the employee with the least seniority at the school. In the event there is more than one employee with the same least seniority date, the employee to be overaged shall be determined by a lottery designed by the School District in cooperation with the Association. (2019)

A unit member may not volunteer to be placed on the Overage List if he/she is on probationary status, received an Ineffective or Minimally Effective on the most recent evaluation, on a Track III Focused Assistance Plan, or if the unit member has sustained discipline of suspension within the preceding two (2) year period. (2011)

31.1.1.3 Teachers who have been identified as overage shall designate their preference for placement in the schools of his/her choice. Principals who wish to submit a list of preferences must interview and/or observe overage teachers. Principals will not only include non-preferences, but will include the rationale and reasons for non-preference teachers. (2011)

31.1.1.4 Elementary teachers and secondary teachers on the overage list shall be placed after the exclusive transfer period. (1998)

Teachers are encouraged to provide as many options for schools and/or subject/grade levels for which they are qualified to teach and have had experience; however, employees must provide at least five (5) options, which may include multiple options at the same school.

Step One:

One to one matches shall be placed first, and shall be confirmed at the overage placement meeting.

Step Two:

All remaining overaged teachers shall be placed based on the areas listed below:

Specific needs of the school, including AYP, SIG, Program Needs, HQ, etc;
Qualifications of the teacher;
Evaluations;
Discipline;
Focused Assistance Plans; and,
Seniority. (2011)

The School District and the WEA will make a good faith effort to ensure that teachers are placed in at least one (1) of their requested preferences. One to one matches will be included in the areas listed below:

- Schools may not be required to fill more than 25% of their openings (at the time of placement) with overage personnel. The Exception to this process would occur if there are no positions available for which the candidate is qualified.
- Schools with two (2) positions or less shall not be required to fill their positions with overaged personnel unless other positions for which the candidate is qualified have been exhausted.

- The total number of vacancies and the total number of overaged teachers placed at a given school the previous school year.

Step Three

If after exhausting steps one and two, a teacher has not been placed at a listed preference, the School District and the WEA will make a good faith effort to place the teacher at a location that is desirable to the teacher.

- 31.1.1.5 No new hire shall be recommended for employment until all overage teachers at that particular subject or grade level have been placed with the exception of teachers hired as part of the School District's ethnic and/or language minority recruiting program.
- 31.1.1.6 The School District, upon mutual consent of the Association, may exempt Special Education, ESL, Program teachers and/or Title I and other groups of teachers from overage at the school site. For those groups listed above, the overage procedure shall be used within the specialty area.
- 31.1.1.7 An overage teacher may return to his/her school if a vacancy in that teacher's area of assignment (primary or intermediate or subject area) occurs prior to August 31 of the year the teacher was overaged, provided the teacher requests to return within ten (10) days of receipt of notification of the vacancy by the principal of that school. (2015)
- 31.1.1.8 Any overage which may take place as a result of No Child Left Behind or SB 1 of the 2003 Special Session shall follow the provisions of this Article. (2003)

31.2 REDUCTION IN STAFF

- 31.2.1 In the event the Board of Trustees determines that it is necessary to reduce staff, the procedures below shall determine the order in which the staff shall be reduced.
- 31.2.2 Once the Board of Trustees determines that a reduction in force is to be effected and has identified certain areas, programs or activities to be reduced, then the Superintendent or his/her designee will meet with representatives of the Association to discuss the need for the reduction and the approximate number of positions to be reduced prior to the recommendations being presented to the School Trustees.
- 31.2.3 Following discussion with representatives of the Association and based upon the areas, programs, and activities to be reduced, representatives of the School District shall then follow Section 31.2.4 criteria in effecting a reduction in force.
- 31.2.4 Reduction in force shall take place by applying the established criteria to those employees on the most recent "Seniority Year List" (See Section 31.2.9).

1. State license and/or subject area endorsement
2. Performance Evaluations;
3. Seniority;

Each employee must be categorized into one or more positions for which the employee is qualified to hold, based on criteria 1 above.

For the purposes of this article the term "teacher on a one-year-only contract" refers to teachers who are hired for one-year only. The term does not include limited term standard contract teachers in positions designated of limited duration. The Association will be notified whenever the School District designates a one-year only contract. (2013)

Within each position and subject the parties agree to establish and maintain 4 groupings of employees qualified to hold the position as follows:

4 groupings (effective 2012-2013)

- 1) Grouping One shall consist of each teacher on a one-year-only contract with an "Ineffective" or "Developing" Performance Evaluation Rating, ordered within the grouping by greatest number of

combined consecutive "Ineffective" and "Developing" Performance Evaluations to the least, then by seniority.

- 2) Grouping Two shall consist of each employee with an "Ineffective" or "Developing" Performance Evaluation Rating, ordered within the grouping by greatest number of combined consecutive "Ineffective" and "Developing" Performance Evaluations to the least, then by seniority.
- 3) Grouping Three shall consist of each employee with an "Effective" Performance Evaluation rating.
- 4) Grouping Four shall consist of each employee with a "Highly Effective" Performance Evaluation rating.

Employees must be reduced in the order of their groupings based on seniority, as stated in the grouping descriptions above, with employees in Group One reduced first and employees in Group Four reduced last. (2011)

- 31.2.5 Using the number of positions to be reduced, and the criteria established, the School District shall then examine the most recently established "Seniority Year List" in order to identify which employees on that Seniority Year List are to be separated.
- 31.2.6 If the number of positions to be reduced exceeds the number of employees on the most recent Seniority Year List, the School District shall examine the next-most-recent Seniority Year List in order to identify the additional employees to be separated.
- 31.2.7 If necessary, additional Seniority Year Lists shall be examined (in sequence) in order to achieve the determined number of positions to be reduced.
- 31.2.8 If in the School District's opinion, certain employees on the most recent Seniority Year List should not be identified for separation based upon the criteria, and if there remains an insufficient number of employees for separation, the School District shall review the next-most-recent Seniority Year List(s) in order to meet the determined number of positions to be reduced.
- 31.2.9 In the event two or more employees meet the separation criteria equally and have the same seniority date, the selection of which employee is to be separated shall be based on the following: First, if an employee has sustained discipline of suspension within the preceding two (2) year period, that employee shall be separated. Second, if an employee is on a one-year-only contract, that employee shall be separated. Third, if an employee has current National Board Certification, that employee shall be retained over an employee without current National Board Certification. Fourth, all things being equal, the employee to be separated shall be determined by a lottery designed by the School District in cooperation with the Association.
- 31.2.10 Seniority shall be School District-wide based upon the original hire date the employee first commenced active employment on a contract and who has remained a licensed employee with the School District thereafter (separations from School District employment shall constitute a "break" in service). (2003)
- 31.2.11 Leaves of absence do not affect seniority.
- 31.2.12 "Seniority Lists" based upon date of employment shall be developed. (2003)
- 31.2.13 Employees shall be notified as to the original hire date and placement on the Seniority List. (2003)
- 31.2.14 Any dispute regarding placement on a Seniority List must be raised by the employee within ten (10) days of receipt of said Seniority List.
- 31.2.15 The Chief Talent Officer shall reconcile any differences of opinions or facts concerning placement on a Seniority List.
- 31.2.16 Once the School District has identified the employees to be separated, a list of their names and positions shall be sent to the Association. If the Association believes an employee to be on the list inappropriately, a challenge may be sent to the School District within ten (10) days of the Association's receipt of the list. If the School District and the Association cannot resolve the dispute, an arbitrator shall be selected from the American Arbitration Association or the Federal Mediation and Conciliation Service.
- 31.2.17 The cost of the arbitrator shall be equally shared between the parties. The arbitrator's decision shall be final and binding.
- 31.2.18 Once the list has been established (after resolution of any question if necessary), the employees on said list shall be notified. A copy of the list shall also be sent to the Association.
- 31.2.19 Music Instructional Staff:

Upon declaration of the School District that a reduction in force will take place in the area of music, the following process will be followed:

1. The Director of Music will determine where the requisite number of music allocations will be eliminated.
2. The Director of Music will generate a list of all music teachers in the School District by seniority.
3. Music teachers may volunteer to be placed on the RIF list, or may be placed through the overage process in other non-music positions for which they are qualified.
4. Should there still be a need to reduce the number of music teachers, the section 31.2.4 Grouping process shall be used.
5. If this process causes vacancies in other music areas, the positions may be posted for all of the qualified music teachers. Should these vacancies be created at the secondary level, the director of Music will provide to principals of secondary schools a list of qualified candidates.
6. If no qualified candidates apply for vacancies resulting from a RIF, the Director of Music may direct transfer a qualified candidate to fill the vacancy.

31.3 REEMPLOYMENT

- 31.3.1 Employees terminated by a Reduction in Force (RIF) shall be placed on a "Recall List" for a period of one (1) year from the date of their last paycheck.
- 31.3.2 In the event that permanent openings develop, employees who have been separated by RIF procedures who are on the List, will be reviewed for possible reemployment.
- 31.3.3 The determination as to which employee(s) on the Recall List shall be offered reemployment, shall be based upon the criteria in 31.2.4.
- 31.3.4 If in the School District's opinion, none of the employees on the Recall List should be selected for an offer of reemployment based upon the criteria and the particular opening(s), then for that particular opening(s) the Recall List may be by-passed.
- 31.3.5 In the unlikely event two (2) or more employees meet the reemployment criteria equally, the selection of the employee to be offered reemployment shall be determined by lottery designed by the School District in cooperation with the Association.
- 31.3.6 Employees on the Recall List shall be responsible for notification to the Talent Office of any change of address.
- 31.3.7 Employees who do not accept offers of reemployment within ten (10) days from receipt of notification by mail shall have their names removed from the Recall List. In the event a notice is not answered and returned to the Talent Office for lack of response, the returned notice shall constitute a non-acceptance of the offer.

ARTICLE 32 DUE PROCESS

- 32.1 No teacher will be discharged, disciplined, or suspended without just cause. However, this provision does not apply to the nonrenewal of a probationary teacher. (2013)
- 32.2 Pursuant to NRS 391.660, the provisions of NRS 391.765 through 391.800 are superseded by this Agreement and do not apply to bargaining unit members. The sole mechanism for bargaining unit members to redress a violation(s) of this Article is the Article 12 Grievance Procedure of this Agreement. (2011)

ARTICLE 33 SUPPLIES AND MATERIALS

- 33.1 The School Trustees and the Association recognize that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, writing materials, standardized tests and questionnaires, and similar materials are important in teaching.
- 33.2 Joint committees shall be established in each school composed of two (2) teachers elected by the teaching staff through a process determined by the Association and one (1) administrative staff member. The committee shall meet at least quarterly during the school year for the purpose of improving the selection, delivery and use of such educational materials. A committee member or

a designated Association building representative (for those schools who choose not to have a committee) shall be provided with a copy of the monthly report regarding expenditures for supplies and materials sent to the school sites.

33.3 Within the resources available, a reasonable effort will be made to provide teachers with supplies and materials in a timely fashion. Shortages and problems with timely provision of materials will be discussed by the joint committee in an effort to resolve the matter prior to any other recourse provided by this Agreement.

33.4 Forms to evaluate the quality of the supplies and materials will be provided by the School District to each school.

ARTICLE 34 SCHOOL IMPROVEMENT PLANS

34.1 No school improvement plan shall alter, violate or supersede this Agreement, except as mutually agreed in writing between the School District and the Association. (2013)

ARTICLE 35 TERM OF AGREEMENT

35.1 This agreement shall be effective as of the 1st day of July, 2023, and shall remain in effect until June 30, 2025, and shall continue from year to year thereafter in compliance with the laws of Nevada, unless either of the signatories hereto shall give written notice to the other as required by Nevada Revised Statutes of a desire to change wages, hours, and conditions of employment hereof.

35.2 NEGOTIABILITY

35.2.1 The parties also agree that any subjects, where negotiability may be challenged that are ultimately determined to be mandatory topics for negotiation, may be reopened after either party has exhausted all avenues of judicial review or after the parties have mutually agreed to accept the decision of the Employee Management Relations Board; provided, however, that written notification of intent to reopen is given prior to February 1, for any proposed changes to be effective on the next July 1st.
