

1

Dentists all over the country recommend this toothbrush.

2

A dog would be a great addition to our family because they are constant, loyal companions who are loving and sweet. A dog would bring us together as a family and make me the happiest daughter on earth.

3

Reading books each day is beneficial and all students should read for at least twenty minutes each day. Studies have shown that students who read this amount score in the 98<sup>th</sup> percentile on standardized tests.

4

I know that you have many choices when you are looking for a nanny, but I hope you can consider how many years I have worked in childcare.

5

Houses near the coast should be build at least ten feet above sea level because statistics show that at waters rise to these heights at least once every twenty years.

6

This family lost everything in the fire. They lost their precious, irreplaceable family photos, not to mention their furniture everything else they own. They have to start over with nothing. Please donate today to help restore their lives.

7

You leave me home alone by myself all the time, and I never do anything wrong. I've had an iPad for a year and nothing bad has ever happened to it. That's why I'm responsible enough to get a new cellphone.

8

Please donate to my cousin. She is going through her third round of chemotherapy and the medical bills are piling up.

9

**My grandmother died and I really need the day off to go spend time with my family. They need me at their side during this terrible time.**

10

**You should not play football because it is statistically the most dangerous sport in terms of injuries. Also, 75% of football players have received serious head injuries, which impacts their health later in life.**

11

**Mr. Jones has delivered packages on time for the last year with no exceptions. I know he will be a great addition to our delivery service.**

12

**Think of how hard it would be for your family to live without you if you died in a car accident. Don't text and drive...think of those you love.**

13

**Exercise has been proven to cause better heart health, so if you are looking to increase your overall health, add exercise to your routine.**

14

**As a professional restaurant critic for over twenty years, I've eaten many meals, but I can assure you: the new restaurant is the best in the city.**

15

**I served in the Marines for ten years. I know what it means to go to war, and I can be trusted to lead the military because of my experience.**

16

**Sarah had a sick baby and desperately needed time off from work, but her boss didn't want to give her any. When she came back to work, she was fired. It's people like Sarah who prove we need a paid parental leave policy.**

17

Alternative medicines have shown no real impact on overall health of patients. Even though they claim to offer miracle cures, look to the facts to decide which treatments to seek.

18

Hundreds of peer-reviewed studies show that learning to play a musical instrument has benefits for memory later in life.

19

She is the only person I know who has turned around so many failing businesses and made them profitable. We should hire her to help save our store.

20

When you are on your deathbed, you will regret not making more meaningful connections to people more than you will regret not making enough money.

21

Higher education is strongly correlated to higher earnings later in life. If you are interested in maintaining a middle-class life, the most likely way to do it is to go to college.

22

The only thing that could make me feel better is a warm cup of chicken noodle soup like my mom used to make. Please make it for me!

23

She is the best-selling author of a dozen children's books and she is here to speak to us today. I know you will learn something valuable from her!

24

The law of gravity is certain no matter where you are in the world. If you drop something, it will fall at the same rate, guaranteed. No one has been able to prove otherwise.

25

My grandmother raised seven children all by herself, so when it comes to advice on kids, I trust her.

26

This new pair of shoes will make you feel special. It's your time to shine—get a new pair of shoes today!

27

This neighborhood's property values have a fifty year track record of improving. Based on this data, it is a great place to invest in real estate.

28

Johnny has been abused at the hands of his foster parents. He was denied food and they made him sleep on the basement floor. We need new legislation against child abuse for kids like Johnny.

29

"I am not unmindful that some of you have come here out of great trials and tribulations. Some of you have come fresh from narrow jail cells."

--Martin Luther King

30

The dog barks each and every time someone knocks on the door. When the delivery person comes to the door, I'll hear him bark.

31

"We are more compassionate than a government that lets veterans sleep on our streets and families slide into poverty; that sits on its hands while a major American city drowns before our eyes."

--Barack Obama

32

Ladies and gentleman of the jury, I would like to point out that two witnesses saw the murder, his fingerprints were on the weapon, and the crime is also on camera. It is clear he is guilty.

33

**She is a climate scientist who works for the federal government for the past ten years, with hundreds of hours of fieldwork, which is why I trust her judgment.**

34

**Having graduated from Harvard and getting the highest scores on all of her exams, I know that she will be an effective surgeon.**
