Bellringer 23

Tell this Story: Stuck? Use this: It poured outward and kept flowing until all parts of the past were erased..

Word Choice: In a paragraph, describe the picture without using the following three words: Water, Swim, Drown. **Bellringer 24**

Bellringer 25

Point of View: Use this sentence for your protagonist paragraph:

What remains of my world
is crumbling before my
eyes.

Point of View: Use these sentences for your antagonist paragraph:
Now they will understand what happens
when they cross me. What remains of their
world is crumbling before my eyes.

Bellringer 26

Revision Add-in: Use the given sentences, and add a summary sentence to this introduction.

Bellringer²⁷

Despite our industrious past, America is falling behind in technological invention. In comparison to India and China who have 30-40% of students pursuing degrees in science or engineering, the United States has less than 15% of college students seeking undergraduate degrees in science or engineering.
(Insert Sentence 1)

Finish this Story

He was unquestionably alone. Alone and questioning.

Write a list of your top 5 questions

A graphic of a speech bubble with the text "Bellringer 29" inside. The bubble has motion lines around it, suggesting it is being called out or is a key point.

What questions do you have in life that are unanswered?
Write a list of your top 5 questions

This image shows a blank sheet of white paper with ten horizontal blue ruling lines. At the bottom right corner, there is a small, hand-drawn black arrow pointing upwards towards the center of the page. The arrow has a simple outline and a solid black body.

Using parts of Samuel Adams' "American Independence" speech, add in 3 sentences to create a full paragraph.

Bellringer 31

Conflict Analysis:

Want by Cindy Pon introduces the reader to a world where the rich wear suits that not only extend their lives, but possibly cause pollution that limits the lifespans of the poor. Do the rich have a right to “enrich” their lives if the poor suffer the consequences? Why or why not?

[illegible]

Tell this Story:
Stuck? Use this: The light
guided me forward.

Bellringer 32

[illegible]

Bellringer 33

What would you do?

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Bellringer
