

ZOOM ACCESS

1. In Google Chrome have students go to Zoom.com and click “join a meeting”
2. Students will enter the meeting ID number and click join
3. A window may pop up that says, “you’ll need a new app to open this zoommtg link” IGNORE THIS!
4. Towards the bottom of the screen click “launch meeting” then click “join from your browser”

zoom

Support English ▾

When system dialog prompts, click **Open Zoom Meetings**.

If you have Zoom Client installed, [launch meeting](#). Otherwise, [download and run Zoom](#).

If you cannot download or run the application, [join from your browser](#).

5. Student will enter their name and Captcha code then click join
6. Student will enter their meeting passcode
7. Teacher will “admit” student to meeting

****Students will still be unable to download the zoom app. Make sure they are using Google Chrome. This will not work in any other browser. ****
