Craft Faire / Student Food Groups Information Meeting

Dear McQueen Club teachers, coaches, chairs and representatives,

Thank you so much for considering participation in the 2018 Craft Faire's Student Food Groups!

Your group will have the great opportunity to creatively serve your community with delicious food/drink items on **October 21 and 22 during the 33rd annual McQueen Craft Faire!** This is a fun and exciting fundraiser for your group to earn money that will directly benefit your program for the 2018-19 school year!

To participate and to learn more about the SFG's, please select a club, team or group representative (or two!) to join us at an informational meeting on **Friday, September 14th at lunch in Room 502. (Mr. Grazul's room)**

This will be a quick introduction into what the possibilities are to earn some serious \$\$ money \$\$ for your organization. We will discuss how to make this event really fun (and profitable!) with creative menu items, interesting table decor, thematic "uniforms" and excellent customer service! Of course, there will be an awesome contest where three anonymous judges will collaborate to choose 1st, 2nd and 3rd place group winners to receive, \$50, \$75 and \$100 prizes. This is EXTRA revenue, on TOP of your sales proceeds, that will go directly back to your club!

*I'll have information packets available for your club that will include all the details about serving logistics, tables, cups, plates, utensils, serving ware, etc. I'll also share tips on how to obtain/ask for donations from the community.

Placement (menu selections and location in the cafeteria) will be on a first-come-first-served basis (and previous participants can be "grandfathered in" to their previous items. **You'll need to sign up no later than October 12th.** This is a hard- deadline, so don't miss out! (If you can't make the meeting, please email or call one of us to give us your menu ideas.)

Our committee will select an awesome location for your group/team/club in the cafeteria based on your group's needs. PLEASE inform us when you sign up whether you'll need electricity or not.

Have any questions? Please be sure to join us at lunch for the meeting. Any further questions, please contact Holly at: Holly@hollyfleur.com or at (775) 297-5850. You may also contact Kim at: kimmunley01@yahoo.com or (816) 896-3376.

We are happy to assist with any questions, comments or concerns regarding this year's fundraiser.

Warmest regards,
Holly Turville, SFG Chair & Kim Nunley, SFG Co-Chair
