

Career & Technical Education - Military Science (formerly JROTC)

Military Science I

Course #10413-10414

Course Fee: \$38

1 Year = 1 credit
Level 1

This course introduces students to the fundamentals of Military Science. Areas of emphasis include introduction to JROTC, foundation of leadership, citizenship, wellness, physical fitness, and first aid. Students will also gain experience in specific branch topics related to their program.

Military Science II (Honors)

Course #10415-10416

Course Fee: \$20

1 Year = 1 credit
Level 2

Prerequisite: Military Science I

This course is a continuation of Military Science I. This course provides military students the ability to further their skills and knowledge levels. Areas of emphasis include personal growth, basic leadership, military careers, military branch core values and communications. Students will also gain experience in specific branch topics related to their program. (Air Force, Army, Marine Corps or Navy) The appropriate use of technology and industry-standard equipment is an integral part of this course.

Military Science III (Honors)

Course #10417- 10418

Course Fee: \$20

1 Year = 1 credit
Level 3 Completer (L3C) State Testing
Prerequisite: Military Science II

This course is a continuation of Military Science II. This course provides an in-depth experience that applies the processes, concepts and the principles as described in the classroom instruction. Areas of emphasis include intermediate leadership and financial planning. Students will also gain experience in specific branch topics related to their program. (Air Force, Army, Marine Corps or Navy) The appropriate use of technology and industry-standard equipment is an integral part of this course.

Military Science IV

Course #10419-10420

Course Fee: \$20

1 Year = 1 credit

Level 4
Prerequisite: Military Science III

This course is a continuation of Military Science III. This course provides advanced military science students the ability to further their skills and knowledge levels. Areas of emphasis include advanced leadership, management and specific branch topics. The appropriate use of technology and industry-standard equipment is an integral part of this course. Upon successful completion of this course, students will have acquired entry-level skills for employment and be prepared for postsecondary education.
