775-353-6990 Office; Hours: M-F 7-3:00pm

Washoe County School District’s (WCSD) Extended Studies Department encourages full-time WCSD high school students to explore alternative ways to earn high school credit. Look at what we offer and feel free to either speak with your guidance counselor or contact us directly at 775-353-6990 or ExtendedStudies@washoeschools.net .

Detailed information about our programs and how to register is available on our website: www.washoeschools.net/Domain/78.

Community Service	Supervised Curriculum Physical Education (SCPE)	Physical Education (PE) Options
Students may earn a ½ elective credit by submitting evidence of 60 hours of community service. A description of the intended community service must be submitted to Extended Studies for preapproval three weeks prior to the proposed experience. Students must submit a report addressing the benefit of their experiences at the conclusion of the class. (Fee: \$50 per ½ credit; S/U grade awarded). .)	Students may earn a ½ PE credit per semester by participating in an approved pre-professional/competitive sport. Students must log 60 hours of active participation within the semester. Students must complete a final project at the conclusion of the semester. (Fee: \$75 per ½ credit; S/U grade awarded).	Students may earn a ½ PE credit per semester by taking group classes at an approved fitness facility. Students must participate in 60 hours of scheduled group classes taught by a certified instructor (video classes are not accepted) within the semester to earn credit. Students must complete a final project at the conclusion of the semester. (Fee: \$75 per ½ credit; S/U grade awarded).
