

MEET MS. ROHDE

Hi there! I am a California girl who fell in love with Nevada 8 years ago! After high school I left my small Californian town to attend UNR. A Bachelor's degree in Human Development and Family Studies and a Master's degree in Elementary Education later, I've finally begun my career as a teacher. Last year after graduating I was a long-term substitute at a few schools including Sky Ranch and I am beyond elated to officially be part of this amazing staff and these incredible students here at the middle school!

Outside of school, I love to

Visit the beach-I love studying marine biology!

Snuggle with my cat, Lotus.

Backpack to gorgeous places with my boyfriend.

Travel to new places-I'm headed to Mexico and Japan this year!

Visit my huge family and spoil all of my nieces and nephews-I'm the fun aunt!
