Regular Schedules (*Section 1*) are the primary schedules we run on a weekly basis. There are some exceptions including weeks before lengthy breaks, the end of the grading period and weeks with holidays at the end of the week. More information is posted in the file library on the Our School Calendar & Events page on our website.

Special Schedules (*Section 2*) are the schedules we run due to weather delays, special events and school-wide testing sessions. These are scheduled in advance where possible and posted on the calendar as special events and assessment schedules are announced.
