Arrival/Dismissal Map

Arrival/Dismissal Procedures

School Arrival

Students cannot be at school before 8:40 am.

Parents, please remind your child that they need to go directly to their classroom when they arrive to school. Teachers are often very busy preparing for the school day before school and cannot provide direct supervision for your child before 8:40 am.

Thank you for helping to keep your student well-supervised and safe!

Leaving School Grounds Early.

Students are not allowed to leave campus at any time during the school day without permission from a parent/guardian. When students leave campus, before 2:45 pm, parents must sign the Parent Release Log in the office. After 2:45 pm, students will not be able to be picked up early unless pre-arranged with office staff. If it is after 2:45 pm, we ask that you wait until dismissal at 3:00 pm to pick up your student. Identification will need to be presented when picking up your child.

RELEASE OF STUDENTS DURING
SCHOOL HOURS

Arrival/Dismissal Procedures

School Dismissal

All students must exit through their classroom doors. Parents may pick up their students at a mutually agreed upon place outside. For the safety of the children, we ask that parents/adults wait outside for the students.

Students are dismissed at 3:00 pm and are expected to go directly home. Please remember that there is no adult supervision available for your child if he/she decides to stay and play on the playground. For their safety, students being picked up by parents should be picked up promptly. If a child is forgotten at school, the office staff will contact their parent.

Please make sure all phone numbers are up to date. The office is open until 3:30 pm each day; therefore, it is important that students are picked up right after school. If children are not picked up after school, School Police or Child Protective Services will be called to transport the child home.

Excessive late pick-ups will result in a conference with the Principal and/or school.

Attendance Policy

Attendance is extremely important and is a focus at Kate Smith Elementary. The state of Nevada tracks student attendance and Kate Smith Elementary is held accountable for students attending school.

Aside from state reporting, students need to learn the life skill of arriving on time to school every day.

If your child is absent from school, notification must be received by the school within three school days after their return, or the absence will be deemed unexcused.

Please be aware, ten (10) consecutive days absent without any contact with the school will be cause for automatic withdrawal from Kate Smith ES.

Twenty (20) consecutive days absent, WITH OR without contact with the school, will be cause for automatic withdrawal from Kate Smith ES.

WCSD ATTENDANCE POLICY

Effective Home/School Communication

At Kate Smith Elementary, we believe that effective home/school communication is essential for a successful school experience, and we value the important role that parents play in supporting the academic success of children at school. Our teachers and staff strive to maintain a positive school climate where all students can learn and feel safe at school.

We know that working with children, parents may have questions, concerns, and students may encounter conflict. We want to work together to solve issues that may arise in a positive and timely manner. Therefore, we have developed the following guidelines to ensure effective communications between home and school, and we appreciate your cooperation.

Effective Home/School Communication

BE PROACTIVE

If you have a question or concern, be proactive and ask the teacher for an appropriate conference time or email your question.

START WITH THE TEACHER

If you do have a concern, please bring it to the attention of the teacher right away so it can be addressed.

SCHEDULE A TIME FOR A CONFERENCE

Face-to-face scheduled conferences are preferred, at a time that has been pre-arranged with the teacher and is mutually convenient for parent and teacher.

ALLOW SCHOOL STAFF TO THOROUGHLY INVESTIGATE

Please keep in mind when your child reports something to you that may be of concern, that often, there is more information to the situation than your child may be aware of, or know. Parents should never address another parent or another child regarding a concern. Once you bring the concern to school staff, allow staff to speak to those involved and other witnesses to gather all of the information related to the matter.

Effective Home/School Communication

TIME-SENSITIVE MESSAGES FOR TEACHERS

If you have an urgent or time-sensitive matter that needs to be communicated to the teacher during the instructional day, please call the school office and leave a message with the office staff. Please note that to avoid interrupting instruction, only messages deemed extremely urgent by administration will be delivered during instructional time.

CONTACTING ADMINISTRATION

Kate Smith administrators are committed to creating a positive school climate where all students can learn and grow academically. We believe that all parents have dreams for their children and want the best for them.

Administration will ask that you first attempt to resolve the concern with the classroom teacher. However, administration is more than happy to meet with parents to discuss any questions or concerns.

Effective Home/School Communication

If this information changes throughout the year, please inform the office as soon as possible.

Home Learning (Homework)

The expectation at Kate Smith Elementary is that teachers only assign daily homework from Monday through Thursday. Homework may be assigned to meet student needs, focus on special projects, or complete make-up work. The purpose of homework is to practice and maintain previously learned skills from the classroom. Additionally, homework builds responsibility, develops study habits, and promotes adult involvement in the child's education. We highly encourage you and your child to read on average 15 minutes per night in the primary grades and at least 20 minutes per night in the intermediate grades seven days per week.

Lost and Found

Children are sometimes inclined to lose personal belongings at school. Please mark all items clearly with your child's first initial and last name. Clearly labeling your child's belongings will help us to return items quickly.

- A lost and found box is located outside the cafeteria.
- Parents and students may check the lost and found box before or after school.
- Please DO NOT send toys or games to school. Washoe County School District CANNOT be responsible for these personal items.
- Unclaimed items will be donated to charity in December and June.

Medication

If a child under a physician's care is well enough to be in school, but requires medication during the school day, parents must contact the school and sign a legal release form. Medications must be in the original prescribed container and must be kept in the health office. Please do not send over-the-counter medications with your child. Under no circumstances is the school allowed to administer any medication to a student without a prescription.

Parties & Celebrations

- School-wide celebrations for students in grades PK – 5 may be held to recognize special holidays/events that are related appropriately to instruction. Details of school-wide celebrations will be announced during the year. Parents may be asked to assist teachers with special classroom celebrations.
- **Birthday Celebrations** - Prior to celebrating your child's birthday at school, please contact the classroom teacher. Classroom instructional time is not to be used for birthday celebrations. If the classroom teacher agrees, it is required that all food items be prepackaged (not homemade) and it is recommended that items be individually wrapped. The classroom teacher will also check for student allergies prior to handing out any treats.
