### School Spirit

Our PFA (Parent Faculty Association) offers the CRES Spirit Wear Store during the year for students and parents to have the opportunity to purchase clothing and accessories to wear any day of the week. Our favorite day of the week is Spirit Day which is each Friday. All students and staff wear green or any item that is sold at our store. Students are assigned a color that represents their grade level each year. On the last Wednesday of each quarter, we do something special to recognize our students such as an assembly, extra recess together, etc... Each grade level goes all out to wear as much of their team color as possible. The PFA will be giving each student a special grade level shirt for our annual Colts on the Run event.

Visitors must access the building by stating your name and purpose for being on campus at the speaker box to the right of the first front door. ID is required for checking out students.**

# Policies and Procedures

## ARRIVAL

- 1) Supervision of students in the classroom. Playground supervision begins at 8:40 AM. Please do not drop off your children before 8:40 am. **There are no adults on duty before this time.**
- 2) 8:55 AM-First bell rings to alert student to line up with their class.
- 3) 9:00 AM-Second bell rings - instruction begins. All outside wing doors are locked.
- 4) Tardy students (not in the classroom when 9:00AM bell rings) are to report to the office as soon as they arrive at school to receive a late pass. This is VERY important so that parents do not receive a call later in the morning reporting a student absent. \*There will be a couple of minutes grace period before the security system is secured. If you are more than 5 minutes tardy, please walk your child in.

## AM DROP OFF AND PM PICK UP IN CARS

\*Please note that there is NO parking on the red curbsides of Village Green Parkway even to drop your child off.

\* Please do not drop off or pick your child up in the parking lot adjacent to the school. This is not only extremely unsafe, but it inhibits those who need to park or depart the ability to do so.

### \* **IN THE MORNING:**

-Pull up as far as possible, have your child quickly, but safely exit the car and then keep moving through the driveway in a single line along the right of the driveway.

-Arrive before 8:55 AM to allow for traffic and to give your child enough time to walk around to their wing door for entry to the building.

-Please do not ever leave your car in the drop off /pick up zone.

\*\*Consider dropping your student off on one of the side residential streets and walking on to campus rather than using the drop zone. This will help our traffic flow to not back up in the drop zone.

\* **IN THE AFTERNOON:** Pull up as far as possible, create two lines of cars (on right and left), **STAY IN YOUR CAR** and move up as space allows, communicate with your child's teacher that you will be waiting to meet your child in your car at the pick-up area.

## DISMISSAL

If you wish to pick your child up near the classroom, please wait outside of the wing where your child's classroom is located.

- 1) It is imperative that all students are picked up each day at the 3:00 PM bell and are safely accounted for by 3:10 PM. After 3:10 pm, any child not picked up will be expected to wait for an adult in the school office. This should only happen on rare, emergency occasions.

- 2) Please coordinate your pick-up plans with your child in the event of a change in daily routine to avoid calling the office to do this for you. Calling the office with a change of plans should be for emergency purposes only.
- 3) In the event of an emergency, that will result in you being late (after 3:10 PM) contact the school and we will keep your child in the main office safely.
- 4) We do offer the Sierra Kids Program in the morning as well as after school for your convenience. However, space is very limited this year due to Covid guidelines. There are several other excellent after school programs in our area as well. Please check in the office for further information.
- 5) Students are expected to go home or to a designated after school program after school. Students should not loiter in the halls or outside areas for safety purposes.

### **ATTENDANCE:**

Please call the school: #689-2600 by 9:00 AM for all absences. Feel free to leave a message on the school answering system with complete details: Your name, student's name, grade, teacher's name, reason for absence, dates of absence prior to the office opening at 8:30 AM. More information will be coming out soon about reporting your child's absence on-line.

\*\* Please note that attendance is taken in the morning at 9:00 AM and again in the afternoon at 1:15 pm of each school day.

### **LEAVING SCHOOL EARLY**

Please make every effort to schedule appointments for your child before or after school. All missed instruction will require that students make-up work in order to avoid un-excused absences as noted in our Attendance Procedures. When students miss instruction for even a short time period, it is challenging to make the work up.

1) **If a child must leave during any part of the school day, a written note should be presented to the teacher that morning advising:**

- a) time the student will be leaving
- b) the full name of the person who will be picking up your student.
- c) approximate return time if applicable

2) Authorized adults must check in at the office and wait for the student to be called down by a staff member. Once the student is physically in the office, the adult may sign the student out. ID must be presented to staff and scanned when the electronic system is operable.

3) An adult will need to sign the student back into school through the school office if s/he returns before the end of the day.

### **LUNCH PROCEDURES**

**Lunch from home:**

- 2) Students may bring a healthy sack or lunchbox lunch from home.
- 3) Please refrain from sending high sugar foods for lunches.
- 4) Please send only single serving portions.
- 5) Sharing of food is not permitted due to allergies student may have.
- 6) **Hot lunch will be served daily free of charge.**

2. Volunteering or interacting with students on overnight or out of state trips will require fingerprinting.

Any cell phone/watch that is seen or heard by a staff member or that causes a disruption during school hours will be taken and handed in to the principal. The student's cell phone will be returned to the student's parent/guardian. Continued offenses may result in student discipline and/or loss of privileges. ### **GUIDELINES FOR STUDENT BEHAVIOR**

We would like to acquaint you with the school-wide discipline procedure. Each child should be aware of what is expected of him/her. The objectives are: to achieve consistency, to provide students with clear expectations, positive reinforcement and consequences, to create an optimal learning environment that is positive and safe and to keep home and school communication open for the benefit of each child. The following guidelines were established by our staff as a whole to help students in their daily activities while at school and to establish standards for appropriate school behavior. Our ultimate goal is to develop independent, responsible citizens who are functioning members of society. The cooperation and support of the home is crucial in developing a consistent, fair program for our students. It is our hope that parents and students will discuss these guidelines.

**NOTE:** Washoe County School District's "Student Conduct Code" (#5131) states: "It is expected that all students of the Washoe County School District will conduct themselves in proper and exemplary manner."

**Bullying is a serious offense** and will be dealt with accordingly. WCSD uses a 3 Point Criterion when clarifying if an incident is considered Bullying, Harassment or Discrimination.

1. Harm Occurs/Target in a Protected Class
2. Unwelcome
3. Severe, Persistent or Pervasive

If all of these occur school level administration must and will move forward with an investigation. On the WCSD website Bully Free Zone, the following information can be found as well as directions of reporting an incident.

**Please report incidents immediately to any staff member. Please expect contact from administration to be made with the victim and aggressor's legal guardian on the same day a bullying incident is reported.**

**What is Bullying?** Bullying is characterized aggressive behavior that is intentional and that involves an imbalance of power or strength and is typically repeated over time.

Reporting an incident online will be directed to the school where the incident took place. The school administrator or his/her designee will respond within 1 school day or 24 school working hours. Note: As required by Family Educational Rights and Privacy Act (FERPA) student information will only be released to a parent/legal guardian and the student to protect the privacy of student education records.

Our staff is trained to prevent, teach and reinforce before contacting parents. If students do not respond to appropriate interventions, the teacher will make contact.

## **CLASSROOM RULES**

Each teacher will have a set of classroom rules on a matrix similar to the one above and consequences unique to his/her learning environment to ensure the safety and education of the children. These rules will be communicated to the parents/guardians and students.

### **Positive Behavior Support Tracking**

Major behaviors may include but are not limited to: Fighting/Physical aggression, harassment/Bullying/Intimidation, disturbance of a school activity, damage to school property, or defiance/disrespect/insubordination. - Two Hour Delayed Start-10:55 AM-First Bell.
- Students should not arrive until 15 minutes before the delayed start as there will be no classroom supervision until that time and the playgrounds will be closed.
- Buses will run and arrive **one or two hours later depending on the announced delay.**
- If school is cancelled on the day of a scheduled event, the event will commence exactly one week after unless school is closed for another cancellation or holiday. In that case, the event will commence two weeks after.

### C.R.E.S. EMERGENCY EVACUATION/SHELTER IN PLACE PROCEDURES

We will practice one drill per month, per state procedures, even in the cold weather. The administration will work to choose a day that has mild temperatures if at all possible for evacuation drills. Throughout this school year we plan on practicing all three steps of our evacuation plan as well as stay put procedures. The best thing we can have in an emergency is a plan and the knowledge that comes from practicing it before we need to use it in a true emergency.

## EMERGENCY INFORMATION

1. For the safety of your child due to illness or accident, **it is imperative that the school have your current telephone numbers** for work and home. PLEASE CONTACT THE SCHOOL IMMEDIATELY SHOULD A CHANGE OCCUR in your phone #s.
2. District policy states that those listed on emergency form cannot initiate the pick up of your student unless parents have notified the office or classroom teacher in writing. Please inform those authorized to pick up your child, ID will be required to remove your child during school hours.
6. **In an emergency where students are evacuated to an off campus sight** district policy states that **ONLY THE LEGAL PARENT or GUARDIAN with ID may pick up a student**, regardless of what the sign out sheet for everyday use states.

## Evacuation Plan (Fire Drill Bell = exit out of building)

1. **FIRE DRILL: (evacuation) Step 1:** is to the front, side and back of school when the alarm rings. Each classroom has an assigned spot on the school yard as their first step to go to and account for all members of the class. Any and all persons in the building must evacuated when the fire bell rings.
2. **FIRE DRILL: (evacuation) Step 2:** is when all classes have been accounted for and administration needs all members of the school community together. On the administration's cue, all classes when then proceed to their step 2 spot on the school track/grass area. If the danger was in the back of the school we would move to the front of the school on the sidewalks along Village Green parkway as our step 2.
3. **FIRE DRILL: (evacuation) Step 3:** (evacuation) would be when our school community needs to move off of the school campus. We would move in a calm orderly fashion down the back hill to the park. If the danger was in the back of the school we would walk along Caughlin Parkway towards our meeting spot at Village Green Park.
4. Please note that in a high level emergency evacuation we may move from step 1 to 3, for example, in order to provide safety for our CRES community. These decisions will be made by administration with the collaboration of our WCSD emergency support team and the Superintendent's office.
5. In the event that we will need to board buses to transport the students to another site away from C.R.E.S. we would leave the park and walk towards the Scolari's parking lot so that we could board the buses in an organized manner. This type of evacuation **would be done in communication and with the support of the WCSD School Police and the Superintendent's office.** The plan is that we would contact you through the Connect ED phone call system and that the local media would be making announcements as well as to the specifics of where you should come to pick up your child/children. Please be assured that we will stay with your child until a parent or legal guardian can come to get him/her. In the event of an emergency, **YOU MUST SHOW PROOF OF ID** to be reunited with your child.
5. **IMPORTANT:** During an evacuation at any level, **no child may be signed out or taken from a teacher throughout the entire emergency procedure.** Once the WCSD and CRES

administration has put into play the plan for an evacuation, whether it is to the park or to an off site place (another school, etc.) parents/ guardians will need to go directly to the meeting spot in order to sign out their child. That may be our school office once the evacuation is over, or to an off site spot where we have transported our school community.

6. **We ask for your cooperation and support during these difficult times to please follow all school procedures and administration/staff's directions.** These steps are part of our school safety plan that works within a system of emergency support from the WCSD school police, the Reno PD, and the Superintendent's office.

### **Shelter In Place Plan**

**(During a practice drill of this nature we will put signs on the front doors of the school asking you to please remain outside until drill is complete.)**

All people in the CRES school building stay inside, **NO ONE** will be allowed in or out of the school building for any reason.

1. **Code Yellow-Secured Campus:** (danger MAY BE outside/on campus) **All students/ staff/ volunteers/ visitors must stay in the school building** and should get into a classroom/room near by, or return to building from the school grounds. Students should stay with the adult they are with when the code yellow announcement is made, or return immediately to their teacher if in hallway or bathroom. Everyone should stay out of the hallways, off of the phones (including personal cell phones), and off of email. Instruction should continue. Everyone should stay put and ignore the bell schedule until you have been cleared by administration through an all clear announcement or face to face visit by administration or school police.
2. **Code Red-Lockdown:** (Immediate Danger is outside/on campus) **All students/ staff/ volunteers/ visitors must stay in the school building**, or return to building from the school grounds. Everyone should stay in a classroom/room near by when a code red announcement is made. **Adults should not open the door to anyone.** If teachers see a student in the hallway when the code red is called, have that student join your class as you close and secure your classroom door. Adults and students should get into the open room that is closest to them.  
All adults and students should close window shades, move away from windows and lay under desks or tables until further instructions/announcements. Everyone should stay put and ignore the bell schedule until the locked space you are in is opened by WCSD Police.
3. **Medical Emergency:** (A student/adult has been injured and we need a clear path to address his/her needs.)  
**All students/ staff/ volunteers/ visitors must stay in the school building**, or return to building from the school grounds. All students and staff should stay in the room they are in and continue with instruction. No one is to enter the hallway or change rooms. The bell schedule is ignored until cleared by administration through an all clear announcement, or face to face visit by administration.
